CO.,

The Seventh Fusiliers held their usual weekly parade at the Drill Shea last evening, and subsequently had a route march through the city, marching in column by companies and sections. Thousands of citizens witnessed the battalion on the streets, and it was generally remarked that they had gained considerably since the previous week. On the Market Square the regiment was put through their facings for about an hour, Sergt. Instructor Davis, R. R. C. S., drilling them in section manoeuvres and the commanding officer in the manual exer-
