The visitors must have taken away over a thousand dollars from the Mainland, for the result of the game was an easy victory for Victoria. It was generally conceded that the visitors were: played better lacrosse than the home

and Peard to Ken Campbell, who shot at goal. The rubber bounded off the Victoria goal keeper and rolled in front of the flags; the goal keeper had evidently been behind the flags when the ball struck him, for the game was called for Vancouver.

In the second bout Victoria settled down to work, and it was only the splendid defence of the boys in grey that saved their flags time and time again. In seven minutes the inevitable happened, Victoria scoring by Snider assisted by F. Cullin. In the third game Schnoter, Bland, F. Cullin, Snider and R. Campbell did the best work, shaking themselves free from their checks and showing some of the prettiest combination play ever seen on the Coast. At the end of four minutes Snider, assisted by the other players mentioned, scored for

The fourth game was another grand exhibition of team play on the part of Victoria. The following indicates the actual course of the rubber, showing the time it was in possession of the visitors: Campbell to Coldwell to F. Cullin to R. Campbell (Frank Miller to Quann) Cullin to Schnoter (F. Miller) Schnoter (Quann), C. Cullin (Peard shot on Victoria goal), saved by Belfry to S. Campbell to Finlaison to Bland to Tite to Bland to F. Cullin to Schnoter (F. Miller), F. Cullin (Quigley to Hawman), (foul claimed—F. Cullin ruled off), Schnoter to Bland to Schnoter to Bland to Finlayson to Bland to Snider

The sixth game was merely an exhibition affair, the visitors winning after about 12 minutes' listless passing, by a long shot from F. Cullin seventh game lasted 1 minute, J. Bland

ALBIONS AT NANAIMO. A cricket day, a splendid ground and

to be in very satisfactory condition, and though there are now only six targets in operation two more will be available for the prize of the island collieries for coal, reached Port Angeles yesterday.

The steamer Maude left for Nootka and other West Coast points on Wednesday evening.

Uapt. nodgson won the toss for Nanaimo and went to the bat. They were dismissed for the small score of 30, J. Hodgson being the only batsman to withstand the Albion bowling, which

was very good. The Albions in their turn started rather badly having six wickets down for 21, of which Schwengers had just been caught at cover point for a useful 12, but J. E. Martin and L. York carried the score to 41, before the latter was bowled for 6. Martin, who was batting in fine form, was shortly afterwards dismissed for a well earned 20. Goward also finished up the inn-

nit eleven. Nanaimo in their second innings made 62, of which Gillard and Hickman by careful play contributed 22 and 13 no out respectively. The fielding of both teams was beyond the average and Hilton captured 5 wickets at a cost of 22 runs.

A large amount of credit is due to W. very small cost of 19 runs.

On the return trip the Albions held smoking concert on the train, which ground presented a perfect wicket for and H. A. Goward were the principal the batsmen.
