Report was received and adopted. In the absence of the chairman of the Public Charities committee Councillor Pinault submitted the report. This occasioned much discussion and in the end the bills of S. M. Moores were referred back to the committee. The other part of the report recommending payment of accounts amounting to \$45 was received and adopted.

On motion it was decided that the sum of \$2 per week be paid Mrs. Oullette as before. Councillor Lunnam submitted report of the Police and License committee recommending payment of accounts amounting to \$28.80, also that a restaurant license be granted F. W. Lacey on payment of \$10 and that a license for pigeon hole table be granted A. Lacey in compliance with the By-Laws. The following reports were received and adopted. On a question regarding the first payment for the power plant property lately acquired from the Shives Lumber Co., Mr. Trueman stated that he had spent a considerable time going over the lines with Mr. Chandler. The solicitor stated that he had the deeds completed by the Shives Lumber Co., but that the arrangement was that the deeds were to be sent him before execution which had not been done. In the present condition the documents could not be recorded, and on motion the Town Solicitor was empowered to have the deeds returned to the Shives Lumber Co so that the proper and necessary affidavits could be affixed. His Worship the mayor read the memorial which had been prepared for presentation to the Minister of Railways at Ottawa. The petition touches upon Sagard street, Victoria street crossing, dredging new siding and platform at east end of town, site for fire alarm tower and other matters. The memorial was approved and the Mayor and Town Clerk authorized to sign it.

In reply to a question the Town Solicitor stated that under the act the income from fines under the Liquor License Act goes into one common fund. After the expenses of prosecution, salaries, etc. are paid 2.5 of the balance is returnable to the town.

The various matters required by legislation were then taken up and discussed, but were left to the By-Laws committee to frame. ## OPENING OF ST. ANDREW'S CHURCH

The congregation of St. Andrew's church after weary waiting, realized their ambition when the new church was opened and dedicated for public worship last Sunday.

Congregants from St. Andrew's D. D. was the preacher, and his discourse was a timely one for the congregation. In the evening the building was completely filled up, many having to go away. The church which is of large and substantial proportions, and of wood in classic style on concrete foundation.

The pews in the church are most comfortable and commodious and the splendid organ recently installed adds great beauty to the interior.

The church will have seating accommodation for about 600 and there is ample room for the building of a gallery in the church which was made room for about 100 more. A beautiful spirit of optimism pervades the people of Campbellton which is fully shown in the fact that so many have contributed to the building of their church. The church has always been there but through the efforts of the congregation it has been brought to its present state.

The opening services in St. Andrew's will be continued on Sunday 11th inst when the Rev. Gordon Dickie of St. John will preach.

The various matters required by legislation were then taken up and discussed, but were left to the By-Laws committee to frame. In reply to a question regarding the O.C. case the Town Solicitor stated that the cost of the case was a little over \$400. Mr. Crockett and his bondsmen had been notified. On motion the Solicitor was instructed to collect the costs in this case. Councillor Alexander submitted
