EAFNESS ABOLISHED!"—An M.P.P. has just been made to hear a "whisper" in one car which had long been totally insensible to all articulate sounds. He had spent "five hundred dollars" in abortive attempts to obtain relief, and the case entirely baffled the skill of eight noted specialists in New York, etc., who pronounced the deafness "positively incurable!" A multitude of other sufferers (also deemed "incurable") have been treated successfully the past few weeks (for deafness, lameness, bronchitts, rheumatism and all diseases). No medicines, instruments or operlameness, bronchitis, rneumausis and an dis-eases). No medicines, instruments or oper-ations! Failures rare. Offices thronged con-tinually.
