Detroits Victorious Career. HAMILTON, May 6.—Smith secured three of Detroit's hits to-day, one being a home run in the second and another a double. He also pitched a marvellous game. Petty pitched an ordinarily good game. The fielding was faultiess on both sides although Casey misjudged a fly and gave Campau a hit.

London Again To-day.

Manager Fessenden's Tecumsehs play the
Torontos again to-day. This will be their last appearance here until June 2. Parks will endeavor to bang Titcombe for a homer this afternoon. Game called at 4 o'clock.

Rain yesterday prevented Players League games at Cleveland, Philadelphia and Brooklyn; Association matches at Brooklyn and Toledo and National contests at Brooklyn, Philadelphia and Cleveland.

Another game of ball was played yesterday on St. Michael's College grounds by the Independents and Excelsiors, both junior teams in the college. The Excelsiors, though a much lighter team, made up by activity what they lacked in avoirdupois and completely outplayed their opponents. Donnelly played, a good third for the Independents, while in the Excelsiors' fine battery work was done, by Donovan and Moynihan. Murphy's batting and Lee's fielding were especially remarked. The score was 15 to 5 in favor of the Excelsiors.

at the showing of the Tecumsehs.

The Torontos ran bases like farmers. Not one attempt to purloin second was made and Murphy's throwing was therefore not tested.

Serad was the hero of the day. He only permitted the nine Cockneys to aggregate three hits and banged out three singles and a double himself.

The London delegation howled when Parks first stepped to the plate. "What's that all about!" asked an ordinary spectator. "Oh, he's the fellow that made four home runs in two Buffalo games," was the reply.

MAIL BUILDING, BAY-STREET

May 1st, 18 90 Goronto,\_

We are preparing lists of houses for sale and to rent and purpose advertising them in the same liberal manner which has characterized our advertisements in the past.

We have not heretofore made any special effort to handle house properties, having confined ourselves almost exclusively to the sale of warehouses and vacant properties, but owing to the numerous enquiries for house properties for both sale and rent, we have concluded to open a Special Branch with a competent staff of officers, who will devote their entire time and energy to this line of business under our direction.

Our success in the past in the properties that we have been handling is a good guarantee that we can make this undertaking a success also.

We would be pleased to place your houses on our list, and will give them our best attention.

Yours very truly,

THOMSON & DUNSTAN.
