uantity of this year's barley exported i se quantity of this year's barley exported is ely in excess of what was expected by grain lers two weeks ago. It was then thought prominent dealers that not more than 0,000 bushels would be got out of the country vious to the date of the McKinley bill's cominto operation. Such has been the rapidity the delivery and shipment, however, that chemore than that amount has been exported. nuch more than that amount has been exported.

GRATEFUL-COMFORTING EPPS'S COCOA BREAKFAST

"By a thorough knowledge of the natural laws which govers the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many beavy doctors bills. It is by the judicious use of suon articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
