THE Subscriber in returning thanks for the extensive patronage received for the last twelve years, respectfully informs his friends and customers, that since the late disastrous fire in Water-street, he has erected a new Factory in Princess-street, a very short distance above the Post Office, and next adjoining Dunn's Siam Mill, where he will be happy to receive and execute all orders from his old customers and the trade generally; and by manufacturing a good article at a fair price and light profit, to give satisfaction. AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown that what success it accomplishes the purpose designed. It is easy to make a physical pill, but not so easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several cases to which they are applicable are given on the box. Among the complaints which have been specially cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Lactation, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of deranged action in the liver. As an aperient, they afford prompt and sure relief in Constipation, Piles, Colic, Dysentery, Hemorrhoids, Scrofula, and Scoury, Colds with soreness of the bowels, and impurity of the blood; in short, any and every case where a purgative is required. They have also produced some singularly successful cures in Rheumatism, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood, and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and rid it of all morbid or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious disease, but necessary dosing never be carried too far, as every purgative medicine reduces the strength, weakens the system, and renders it more susceptible of disease. A physician is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will not doubt what remedy to employ when in need of a cathartic medicine.

E. D. SPEAR,

INDIAN DOCTOR,

18 Kneeland Street, BOSTON, Mass. THE great success which has ever attended the Indian Practice of Medicine, as perfected by E. D. SPEAR, M. D., excites envy in the hearts of the many advocates of Mercury. Many of his remedies, as the public have already learned from newspapers of the day are prepared from recipes which are believed to have originally been received from the Indians, and have been tried and proved by five years ago. No other remedies deserve the name of Indian.

DR. SPEAR'S

GREAT INDIAN MEDICINE.

(For names and description see his "Family Physician"—to be had, free, at his office, or sent to order, prepaid on receipt of a paper postage stamp.)

Are certain cures for Asthma, Ague and Fever, Bartlett's itch, Boil, Bronchitis, Cancer, Canker, Colds, Consumption, Coughs, Costiveness, Cramps, Debility, Diabetes, Derangement of the Bowels, all Humors, in the blood, Indigestion, Headache, Induration of the Eyes, Jaundice, Kidney Complaints, Liver Complaints, Loss of Hair, Lumbago, Milk Leg, Nightmares, Palpitation of the Heart, Pains in the side, back, and throughout the body, Painful Menstruation, Pin Worms, Rheumatism, Salt Rheum, Scald Head, Scrofula, Shortness of Breath, Sore Throat, Spinal Complaints, Strangury, &c.

Dr. Spear's Female Medicine have become very celebrated, and it is now admitted that his treatment of Female Weaknesses, Prolapsus Uteri, Irregularities and Suppressions is far superior to every other treatment for these complaints.

It is also celebrated in the treatment of children.

His medicines being vegetable, do not poison the system.

Dr. Spear is now being visited by one thousand patients every month, some of whom travel hundreds of miles to consult him, to obtain his medicines.

Dr. S. will warrant a cure in every curable case. After giving his remedies a fair trial, if a cure is not effected, he will pay any other physician, who will effect a cure, his bill, not exceeding \$100.

Persons at a distance can consult him by letter, enclosing a stamp to pay the answer.

Dr. Spear consults with patients at his Office No. 18 Kneeland Street, upon all conditions and diseases of the system, free of any charge.
