This year the Second Standard was struck off, and so those who failed to pass the third, are studying in station boarding schools. We have no third form this year, and the boys who would have been in that class are out teaching. Also our third year in theology was so small that we thought it wise to let the two men in it go out and preach and join the class again in '96. J. E. DAVIS.

NEWS FROM BANDS.

FOREST. Although you do not very often hear from Forest Mission Band or Circle, we are still in existence, and trying to do a work for our Master and for Home and Foreign Missions. Last September our Mission Band lost a very efficient worker when our pastor's wife, Mrs. A. P. McDonald, left us. She had been our President, and her kind advice and cheerful face have been very much missed. Last month we suffered another loss by the removal of Mrs. J. P. Burns and her daughter Ada, to Parkhill. Since the Band was organized, Ada has been a great part of the life of it, and her place will be hard to fill. For nine years, Mrs. Burns was President of our Circle, and in our Band work she was ever ready to help us, and oftentimes encouraged and cheered us when cast down and weary because of the heat and burden of the day. Although they have gone from us, we know that the Mission cause in Parkhill will be strengthened and helped by their presence. Our work here is going on, and the children keep up a very good interest, and are at present making a scrap-book for India and some sailor's bags.
