

Matanzas is an old and busy place; the second place of export for sugar, tobacco, and molasses in Cuba. The Caves of Bellamar attract tourists in great numbers. For the Caves, order a

CITY OF HAVANA.

volante (nothing else will do), and ask your driver to take you through the street by the bayside, where the summer mansions are. In the writer's humble judgment there is nothing in Havana that can compare with that street on the bayside drive.
