

# Seeds

We have advantages as Seedsmen of which we wish to tell the public. Thirty years experience as PRACTICAL MARKET GARDENERS AND FLORISTS, gives us such knowledge as to enable us to judge not only what are the best kinds for Fruit, Flower or Vegetable crops whether for Private or Commercial Gardening, but also to thoroughly test the quality of all Seeds and Plants. Our Greenhouses and Frames in Jersey City, are the largest in America, covering upwards of four acres, sold in glass, employing an average of seventy men throughout the year.

We send our Illustrated Catalogue of "Everything for the Garden," FREE, on application.
