that all bee-keepers in the townships will unite in making this a large and representative meeting. Bee-keeping throughout the eastern town ships is rapidly increasing, and an association, embracing all bee-keepers, cannot help but result in great mutual advancement. Bear in mind that we have secured a grant of \$100 from the Provincial Government, and with a large and active membership the success of the FRANK W. JONES, association is secured. Chairman Ex-Com. E. T. B. A.

#### CINCINNATI.

The market for honey is very tame. Demand from manufacturers is very slow and there is only a fair trade in new comb honey and extracted in square glass jars. Extracted honey brings 3½c. to 7c. a lb. on arrival. Comb honey 12c. to 14c. for good to choice in the jobbing way. Prices are low for all produce and no speculative feeling is noticed anywhere. Unless better prices are realised, for other produce, prices of honey are not likely to advance. Beeswax is in good demand and arrivals are fair. We pay 20 cts. a pound for good yellow.
