GAS INSPECTION.

These stamps are the same design and shape as the Weights and Measures series, and the color is blue. Inspectors attach them to certificates, certifying to the correctness of the meters.

ELECTRIC LIGHT INSPECTION.

Modern invention has called forth the tax again, and recently the Dominion Government issued this series. They are similar to the Gas Inspection, the color being a bright vermilion, and the control number of blue.

With the following issues of this paper, the Provinces will appear, and following this, the postage.

The law stamps of Manitoba will be thoroughly revised by a competent collector, and varieties supposed to exist, will be omitted.
