RUPTURED PERSONS

Read this letter from another Toronto Citizen. To J. Y. Bean, Truss Manufacturer, Etc., 107 Queen Street, Toronto, Ontario.

DEAR SIR, - I have been ruptured about thirty-three years. My sufferings during that time have been intense and can only be appreciated by those similarly conditioned. My business as a carpenter and joiner (as all know) demands considerable muscular exertion, frequently have I been compelled to quit work, although at the time wearing Trusses made by the most prominent makers. I could not stand erect, and often had to lie down to ease my sufferings. All the Trusses I have worn have been utter failures. It has been one long round of misery and mental anxiety, loss of time and physical torture. About six months ago, thank God, I heard of your great success in the treatment of rupture cases. The appliance you adjusted gave me, I can well remember, a feeling of support never before experienced by me, and has so continued to the present day. I am now comparatively a new man. Previous to this I could not stoop to lift my shoes, no matter what Truss I had on. If I got all Toronto, without my rupture coming out. To add to the difficulty I have suffered with a violent cough for years, but in the face of all this your grand appliance has held me secure all the time while doing the hardest work. Only two days ago I carried a bundle of green shingles up on a two-story building and not a "bludge" I never could or dare attempt such a thing before without danger of my life. crown all, I have worn and continue to wear, the appliance with great comfort, for all of while, I deeply indebted to your skillful treatment. very truly yours, 132 STANLEY ST., TORONTO. ON THE ROCK;

OR, Truth Stranger Than Fiction.

THE STORY OF A STRUGGLE AFTER THE TRUTH AS IT IS FOUND IN CHRIST

By D. R. DUNGAN

Twenty editions of this book have been sold, and the demand increased. It is the most popular book on FIRST PRINCIPLES ever published by our people. This volume discusses no new themes, nor does it present novel ideas upon the old theme of Christianity. Its novelty is found in protesting against novelties in religion, and insisting upon the usages of the primitive Church. It adopts a method for the discussion of salvation from sin which is, it is hoped, adapted to the popular education on the religious issues of the day. It was written for the benefit of, and is dedicated to, the people, with the prayer and hope that it will be widely read, and that it will do them good.

The author has carefully avoided technical expressions and obscure phrases, in order that it might meet their wants. He has endeavored to take these questions from the exclusive hands of the theologians, and place them in the hands of the people for their own adjudication. Will they, like the Bereans, examine the Scriptures to see whether these things be so? Price, \$1.25. Address, THE EVANGELIST PUB. CO., 55 YONGE ST. ARCADE, TORONTO, ONT.
