ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the bowels, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1882."
"I wish to express my appreciation of the valuable qualities of **Ayer's Cherry Pectoral** as a cough remedy.
"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try **AYER'S CHERRY PECTORAL**.
"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases."
J. W. WHITLEY.

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of **AYER'S CHERRY PECTORAL**. Being very palatable, the youngest children take it readily.
