ELECTRO SILVER PLATED WARE.

In no class of goods is it so necessary that buyers should ask for a well known make of goods than in Electro Plate. Dealers themselves are often imposed upon by the so called "Companies" that abound in these times, and the multitude of which no buyer can remember. Those who want reliable table-ware—SPOONS, FORKS, KNIVES, TEA SETS, CAKE-BASKETS, CASTORS, PITCHERS, &c., should see that each article bears the stamp R. W. & Co., as all such are fully warranted, the 12 and 16 ounce spoons and forks are not surpassed, if equalled, in the world. Persons buying goods with the above stamp can rely on getting good value for their money—and they have as well the guarantee of an old established Canadian house. In answer to the inquiries of Trustees of Churches and ministers, we get up a triple Plate COMMUNION SERVICE for \$25.00, and the largest size for \$32.00. These can be ordered through any merchant, or failing this, remit P. O. direct to the house when the articles will be forwarded. Dealers who may have been induced by travellers to select other Plate from picture books, are solicited to send sample orders for these goods—once tried you will buy no other. CANCERS CURED.

DON MOUNT, October 2nd, 1875. O. C. WOOD, Esq., M.D.

DEAR DOCTOR,—You enquired after my health and views relative to your treatment of the cancer or cancerous affection in my lip—now just eleven years ago—in reference to which I have to express my gratitude to an overruling Providence that I was led to an acquaintance with you, and became a subject of treatment by you. My lip had been sore at least seven years (7) years, exceedingly painful, and for two or three years before you took it in hand, almost mendacious. All sorts of experiments had been submitted to by me, embracing caustics, excoriation—everything indeed but the surgical knife—and in vain; for it always returned, and worse than before. Your treatment effected a speedy, complete and permanent cure. The cancerous humour seems thoroughly expurgated from my blood. I have now for a long time used nothing antagonistic as at first, nor any stimulant or tonic to keep up my system; and yet my health is perfect, and, at the age of sixty-six, I am laboring with a vigor equal, if not superior, to any other part of my laborious life. You are at liberty, to make any use of this you may judge proper. Yours gratefully, JOHN CARROLL, Methodist Minister.

THE MEDICAL FACULTY Advise

The preparation known as DURHAM CORN FLOUR, is, with milk, recommended for children's diet. This particular brand is found to possess qualities that make its use most desirable.

ANALYTICAL CHEMISTS Report

This DURHAM CORN FLOUR is entirely free from any impurities; it is evident that great care is taken by the makers in the selection of the maize from which it is manufactured, so much so that not the least trace of any foreign matter is to be found.

THE MANUFACTURERS say

that now as during the past decade, this preparation engages their great care. Nothing can be prepared from maize possessing greater delicacy of flavor, and by their improved patent process of manufacturing, all the impure and foreign matter is so thoroughly eliminated as to give a much lighter and more perfect preparation than can be secured by the means generally employed.

When you ask for DURHAM CORN FLOUR, see that you get it.
