WHEN OTHERS FAIL.

DR. WILLIAMS' PINK PILLS RESTORE HEALTH AND STRENGTH.

A Well Known Young Lady in Napanee Gives Her Experience—So Weak that She Could Not Go Up Stairs Without Resting—Her Friends Thought She Was in Consumption—Now the Picture of Health and Strength.

From the Beaver, Napanee, Ont.

Among the young ladies of Napanee there is none better known or more highly esteemed than Miss Mary L. Byrnes. Indeed her acquaintance and popularity covered a more extended field, as she is a travelling saleslady for the Robinson Corset Co., and has many customers on her route which extends from Oshawa to Ottawa. How this young lady happens to be the subject of this article is due to the fact that she has recently undergone a most remarkable change through the use of those wonderful little messengers of health, Dr. Williams' Pink Pills. When the reporter of the Beaver called to make enquiry into her cure, he was met at the door by the young lady herself, whose rosy cheeks and healthy appearance gave no indication that she had undergone a prolonged illness.

The reporter mentioned his mission and found Miss Byrnes quite willing to tell the particulars of what she termed "an escape from death." In reply to the query "what have Dr. Williams' Pink Pills done for you?" she replied, "why, they have done wonders. I feel like a new woman now. For eight years I was weak and miserable, and at times I could not walk. I was greatly troubled with indigestion, and frequently could not keep anything on my stomach, not even a glass of milk. I had dizzy spells, severe headaches, and my complexion was of a yellowish hue. My kidneys also troubled me, and in fact I was all aches and pains. In going up a flight of stairs I had either to be assisted up, or would have to rest several times before I got to the top. At times my hands and feet would have no more warmth in them than lumps of ice. On one occasion while stopping at an hotel in Kingston, after waiting on a number of my customers, I fell down in a faint. The landlady found me in this condition and sent for a doctor, who, after bringing me back to consciousness, gave me medicine to take. He told me that my system was so badly run down that it was imperative that I should have absolute rest. His medicine had no beneficial effect that I could see, and I tried a number of other doctors, with no better results. I became so low that I cared for neither work nor pleasure, and my friends thought I had gone into consumption. It was at this juncture that I determined to give Dr. Williams' Pink Pills a trial, and my appearance to-day will show you what a wonderful change they have wrought in me. I continued taking the Pink Pills for three months, and before discontinuing them every ache and pain had disappeared. I cannot speak too highly of this wonderful medicine, and I am eager to let the fact be known for the benefit of other sufferers."

Mrs. Byrnes was present during the interview and strongly endorsed what her daughter said, adding that she believed they had saved her life.

The experience of years has proved that there is absolutely no disease due to the vitiated condition of the blood or shattered nerves that Dr. Williams' Pink Pills will not

promptly cure, and those who are suffering from such troubles would avoid much misery and save much by promptly resorting to this treatment. Get the genuine Pink Pills every time and do not be persuaded to take an imitation or some other remedy from a dealer, who, for the sake of extra profit to himself, he may say is "just as good." Dr. Williams' Pink Pills cure when other medicines fail.

On the 1st inst. a statue of Burns' Highland Mary was unveiled at Dunoon by Lady Kelvin. It is the work of Mr. D. W. Stevenson, R.S.A. and is cast in bronze. A large company assembled to witness the ceremony. Lord Kelvin and Mr. Colin Rae Brown delivered short addresses and referred to the tender relation of the poet with Mary Campbell, and to her early death. The statue represents Highland Mary, in the attire of the period in which she lived, looking across the Clyde towards Ayrshire.
