REGULATIONS RESPECTING EXHIBITS OF SCHOOL WORK. (In force November, 1897.)

1. The regulations governing the preparation of school exhibits have been made to harmonize with those governing the preparation of specimens of school work for the Honourable Superintendent of Public Instruction, so that one and the same effort on the part of a school will satisfy both requirements. To this end the Department has concurred in the following arrangement:
 - (a) **ELEMENTARY SCHOOLS.** School Inspectors are authorized by the Superintendent to have the specimens required by Regulation 9, sec 9, of the Protestant Committee's School Code, prepared in accordance with the rules hereinafter enumerated, to retain them for exhibition at the Annual Convention of the Provincial Association of Protestant Teachers, and subsequently send them to the Department of Public Instruction.
 - (b) **SUPERIOR SCHOOLS.** The specimens of work annually sent to the Department from these Schools may be made up in *two* parts, ONE marked "*For exhibit at Convention,*" THE OTHER not so marked; and the Department will forward to the Convener of the Exhibits Committee, at the proper time, all packages marked "*For exhibit at Convention.*"
