Late Trade Items.

United States tin plate mills are be-ing closed down, in order to force a reduction in wages to meet Welsh im-

B. M. Howell, Son & Co., and Arbuckle Bros., of New York, yesterday reduced all refined grades of sugar five points.

The big tobacco war in Great Britain between the English and United States trusts, has been ended by the amalga-mation of the rival companies.

A scarcity of soft coal has become increasingly manifested in the United States this week, and \$7 per ton is reported paid at the mines, against an ordinary price of \$1.50 to \$2.

The revenue of Canada for the year ended June 30 last, according to revised statement issued yesterday, was \$58,224,228, an increase of \$5,509,527 over the previous year. The expenditure was \$50,739,953, an increase of \$5,875,586.

Large sales of Canadian wool for export to the United States are noted this week at 28c per lb, duty paid. All of the 1901 wool clip has been cleaned up, and stocks of the 1902 wool clip that are left are held at fancy prices.

Fancy prices.

Bank clearings at Canadian cities for the nine months of the current year exceed those of the year previous recent does of the year previous control of the year for year of the year o

smaller than a year ago."

The regular quarterly meeting of
the board of trade will be held in the
board room at 4 p. m. on Tuesday,
next. In addition to routine business,
the resolution of the council in connection with the ".P. R. freight rates
on grain, which has already been published, will be considered.
