### PUTTNER'S EMULSION,

We beg to solicit your interest in keeping this old established and valuable remedy before the public.

PUTTNER'S EMULSION is the oldest of the many emulsions now offered to the trade, and maintains its lead against them all.

It is a Native Preparation. It pays the dealer a good profit. It is a good seller, and therefore safe to stock with, and it is undeniably the best for the consumer, for the following among other reasons:—

1. It is the richest in oil.
2. The oil is pancreatized, that is, partially digested, and thus better suited to weak stomachs.
3. The bottles are fully one third larger than others sold at the same price—a point of great interest to the patient.

The Emulsion may be had of any Jobber or Wholesale Druggist in the Dominion, at \$4.00 per dozen, \$3.75 by three dozen, or \$42.00 per gross.

Soliciting the favour of your orders to your Wholesale House, we are

Yours respectfully,
