LIBERAL DISCOUNT TO THE TRADE.

THIS volume is essentially Canadian—the first of the kind ever published—and is brought out to meet an expressed desire for such a work in connection with school holiday gatherings specially, and generally for occasions of a similar nature. It is composed of four parts, viz.:

- PART I.—A TALK WITH TEACHERS.
- PART II.—CANADIAN PATRIOTISM.
- PART III.—UNIVERSAL PATRIOTISM.
- PART IV.—ARBOR DAY.

FROM THE PREFACE.

"The patriotic selections are of two kinds, Canadian and general. The greater number of the Canadian selections appear for the first time for the purpose of recitation. They breathe a genuine Canadian spirit and are, moreover, generally of high literary merit. Many of the other selections have become common property for the purpose of public declamation. They have not, however, lost their value either as exercises in elocution, or as the embodiment of a substantial and stirring patriotic sentiment."

In the large list of notable Canadian poets, from whose works selections are taken, are the following names:

- |                        |                      |                          |

No teacher or pupil in Ontario is obliged to purchase this volume as a textbook for school purposes.

The compiler has no financial interest in the publication. He has given his arduous services solely for the gratification of providing, for those who desire to use it, a collection of literature from the best Canadian sources, which, while it endows and enobles the intellect, will also develop and cultivate a pure patriotic spirit in Canada's sons and daughters.

**SIXTH EDITION**

**Arithmetical Problems**

Senior and Entrance Classes in Public Schools,

G. H. Armstrong, Principal Niagara Street School, Toronto.

This edition contains nearly 900 Problems. The Entrance Papers for the last twelve years are appended, also the Public School Leaving Examination Paper for 1892. The answers to all the Problems are given. No other work possesses these features. Seventy-five per cent. of the Public Schools of Ontario use it, also several Commercial Colleges.

READ WHAT TEACHERS AND INSPECTORS SAY OF IT:

I am highly pleased with your Arithmetical Problems for Senior classes. It suits my Entrance candidates exactly. A book such as this is needed by every Fourth Class pupil.—Geo. KIRK, Head Master M.S., Chatham.

I have just examined your Arithmetical Problems for Senior classes. The problems are very suitable and the collection must prove very valuable to teachers. I heartily commend it.—G. D. FLATT, B.A., P. S. Inspector, Prince Edward.

After a careful examination of your "Arithmetical Problems for Senior Classes," I find them well graded and very suitable for the purpose intended. The teacher who uses them for home or class work, will save himself a vast amount of labor, and in all probability secure to his pupils much better results.—J. S. DEACON, Inspector, Halton.

I have no hesitation in saying that for the purpose for which it is intended the work is infinitely the best with which I am acquainted. Its strong point, to my idea, is the logical sequence in the problems by which the pupil is almost insensibly led on step by step until he reaches quite a difficult style of question. The printer, too, has done his work very well, and there are but few typographical errors. I shall certainly recommend every teacher in my inspectorate to use a copy.—J. C. MORGAN, M.A., Inspector, Barrie.
