

LITTELL'S LIVING AGE for 1894. —As a channel through which we receive the richest fruits gleaned from the vast field of foreign literature, the ripest productions of the most brilliant intellects, this standard weekly magazine stands before the literary world without a peer. It is an absolute necessity to every American reader.

In addition to the productions of the leading British writers, *The Living Age* will publish during 1894 selected works of other noted European authors, translated expressly for it. A story of thrilling interest, from the French of Paul Perret, will be begun in the first January issue, which is the opening number of a new series and begins the 200th volume of the magazine. Its prospectus for 1894 is well worth attention in selecting one's reading matter for the coming year.

Special and generous offers are made to new subscribers. *Littell & Co.*, Boston, are the publishers.

Are you troubled with gnawing sensation "goneness," load at stomach? Take *K. D. C.*, and be convinced of its great merits.

Sorsa's new march, "The Manhattan Beach March" has been purchased by "The Ladies' Home Journal," and its full piano score will be printed in the Christmas issue. The composer claims for it a superiority over either his popular "Washington Post" or "High School Cadets" marches.

FOR OVER FIFTY YEARS.

MRS. WINSLOW'S SOOTHING SYRUP has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle.

MAGNETISM AND HEAT.—Scientists are now discussing the curious fact that the usual heat produced by friction is conspicuous by its absence when the articles are magnetized. One example described was where a workman fastened a couple of powerful magnets to his lathe to hold more securely a piece of metal which he wished to drill and turn. The presence of the magnets kept the metal so cold that no water was needed to keep the drill moist—a very unusual circumstance which may lead to important mechanical advantages.

Dyspeptics lack strength. *K. D. C.* restores the stomach to healthy action, and gives the Dyspeptic strength. *K. D. C. Company, Ltd.*, New Glasgow, N.S., Canada, or 127 State street, Boston, Mass.

To wish to shut Him out of any part of our life, or any possession of our heart, or any crisis of our history, or any secret of our experience, is to grieve Him—is yet more to impoverish ourselves.

Let friendship creep gently to a height; if it rush to it, it may soon rush itself out of breath.

"Mr. Sadler's Commentary is decidedly one of the most unbackneyed and original of any we have. It will be found to give help where others quite fail to do so."—*Guardian*.

"Mr. Sadler's excellent Commentaries."—*Saturday Review*.

"It is far the best practical Commentary that we know, being plain-spoken, fearless, and definite, and containing matter very unlike the milk and water which is often served up in (so-called) practical Commentaries. . . . For solid Church reading it stands unrivalled."—*Church Quarterly*.

"Incomparably the best Commentary on the New Testament extant!"—*Irish Ecclesiastical Gazette*.

"We meet here all the well-known characteristics of his writings. The style is straight forward and vigorous. There is never any doubt about his meaning. His remarks are always pointed, and the arrangement of its material is excellent."—*Guardian*.

"We should think that it would be difficult to find anywhere such a real help for preachers as these Outlines afford. . . . Such depth of spiritual teaching is seldom to be found."—*Rock*
