

NEWS AND NOTES.

The Rev. H. B. Restarick, Dean of Southern California, has written a work on "Lay Readers, their History, Organization and work" with a preface by the Bishop of California; which Thomas Whittaker will publish immediately.

The windows of a church or dwelling, whether plain or ornate, should certainly be in harmony with their surroundings. McCausland & Son, 68 King street W., Toronto, whose specialty is designing for and executing leaded windows, and ornamental glass of all kinds for Churches and dwellings are in the very best position to supply whatever is wanted in the above lines. It will repay you to send them particulars of what you may require.

BURMAN'S PARISH INDEX.

THE INTERESTS OF THE

CHURCH would be greatly advanced if her clergy would adopt a simple system of inter-parochial notification when adherents remove from one parish to another, and would also compile a Record of his parish for the use of a future incumbent.

Clergymen and others engaged in pastoral work and visitation are familiar with the need of some practical method of recording, in convenient and permanent form, the names of their parishioners, so as to have instant access to details, both as to unmarried persons and families, with particulars as to each member of every household.

The Index above named, prepared by the Rev. W. A. Burman, of Winnipeg, admirably supplies these wants. It is for use at the Rectory, and consists of sheets, perforated and arranged in a Shannon Index Filing Case, and printed to facilitate the tabulation of all necessary information regarding the members of each family (a sheet for a family); spaces being assigned on the sheets for recording pastoral visits and facts regarding Ages, Baptisms, Confirmations, Communicants, etc., and other memoranda as may be desirable to note for future use.

A Cipher Code accompanies every Index for the purpose of facilitating the noting of memoranda which would otherwise be too lengthy for entry.

When a family removes to another parish, the respective sheet may be taken off (a duplicate made) and forwarded to the clergyman of the parish to which the family goes. The sheets therefore, answer admirably as letters of commendation, and convey all necessary information regarding this family to the incumbent, who will be greatly assisted, while at the same time the Church is safeguarded against loss of members.

When an incumbent removes from the parish, the Index should be left for the use of the new incumbent.

Being on a file of this pattern new sheets may be inserted at any time in their proper places, alphabetically, or sheets removed when necessary.

It is also made in pocket form as described below.

BURMAN'S PARISH POCKET INDEX.

This is a book of convenient carrying size having its leaves ruled and printed the same as the Parish Index before described, (for both families and unmarried persons) and having the leaves indexed and pagged. Pages are left at the end of the book for the entry of special parish Events and also for recording Sermons, Addresses, etc.
