

**AN ARREST
IN LIFE'S JOURNEY.**

Had Taken the Wrong Road.

Endured Many Trials and Sufferings.

Heard of the Glad News of Paine's Celery Compound.

Mr. Church Says: It Snatched Me From the Grave.

The Cured Man's Honest Testimony.

He Urges all Sufferers to Use the Medicine that Gave Him New Life.

An important arrest in life's journey! A man saved who had travelled far on the road that leads to the silent, dark grave! His trials and sufferings were heavy and severe; he had made many efforts to rid himself of the shackles and chains that bound him, but for long months his endeavors were futile.

While on the great highway of disease and suffering Mr. John A. Church, of Coldbrook, N.S., heard the glad news of victories won over disease by Paine's Celery Compound; his heart bounded with joy and fresh hope, and he lost no time in testing the virtues of nature's great healer.

The first bottle produced a mighty change, and warranted Mr. Church in continuing with the medicine. After using nine bottles of the great Compound, a thorough cure was effected, and a new lease of life was obtained.

Before hearing of Paine's Celery Compound Mr. Church was literally robbed of his money as he bought medicines of all kinds that proved useless and worthless. His experience is of great value to every sick and suffering man and woman in Canada. He writes thus:

"It is with pleasure that I give testimony in favor of your Paine's Celery Compound: In the spring of 1892, I had an attack of La Grippe which put me into such a condition that I could not sleep or eat. I was completely run down, had extreme nervous prostration, and lay for days in a half stupefied state.

"After spending all my money for medicine which did little good, I gave up to die, when one day a paper on Paine's Celery Compound was brought to me. I at once procured the medicine, and derived great relief from the first bottle. I slept better, ate better, and digestion improved. After using nine bottles I feel like a new man. I can truly say that Paine's Celery Compound snatched me from the grave, and gave me a new lease of life.

I earnestly urge all sufferers to use Paine's Celery Compound, feeling sure it will cure them. Do not spend your money for medicines that cannot cure you."

WHAT IS

It is a most valuable preparation, restoring to gray hair its natural color, making it soft and glossy and giving it an incomparable lustre. ROBSON'S HAIR RESTORER is far superior to ordinary hair dyes, for it does not stain the skin and is most easily applied. One of its most remarkable qualities is the property it possesses of preventing the falling out of the hair, promoting its growth and preserving its vitality. — Numerous and very flattering testimonials from well known PHYSICIANS and other citizens of good standing testify to the marvelous efficacy of ROBSON'S HAIR RESTORER. Lack of space allows us to reproduce only the two following:

Testimony of Dr. D. Marsolais, Lavaltrie.

I have used several bottles of Robson's Hair Restorer, and I cannot do otherwise than highly praise the merits of this excellent preparation. Owing to its use, the hair preserves its original color and in addition acquires an incomparable pliancy and lustre. What pleases me most in this Restorer is a smooth, oleaginous substance, eminently calculated to impart nourishment to the hair, preserve its vigor, and stimulate its growth, a substance which replaces the water used by the manufacturers of the greater part of the Restorers of the day from an economical point of view. This is a proof that the manufacturer of Robson's Restorer is above all anxious to produce an article of real value, regardless of the expense necessary to attain this end. It is with pleasure that I recommend Robson's Restorer in preference to all other preparations of that nature.

D. MARSOLAIS, M. D. Lavaltrie, December 26th, 1895.

Testimony of Dr. G. Desrosiers, St. Félix de Valois.

I know several persons who have for some years used Robson's Hair Restorer and are very well satisfied with this preparation, which preserves the original color of the hair, as it was in youth, makes it surpassingly soft and glossy, and stimulates at the same time its growth. Knowing the principle ingredients of Robson's Restorer, I understand perfectly why this preparation is so superior to other similar preparations. In fact the substance to which I allude is known to exercise in a high degree an emollient and softening influence on the hair. It is also highly nutritive for the hair, adapted to promote its growth, and to greatly prolong its vitality. I therefore confidently recommend the use of Robson's Hair Restorer to those persons whose hair is prematurely gray and who wish to remove this sign of approaching old age.
