

SOME ENERGETIC MEN WANTED

To Work During Spare Hours

We want undergraduates who are anxious "to make their own way" to engage in the work we offer them.

We will do our best to teach them the work during their spare time, and to give them every assistance in putting what they learn into practice.

They will be earning while learning.

We realize that we cannot expect the best results from their work during the college term, but we are sure that a few hours a week will prove very profitable to them.

They should at least pay a good deal of the college term expenses without materially encroaching on study hours.

It is the future we look to particularly, however.

To those men who, during the winter months, show capabilities for the work, we propose to offer positions, either for the following summer or for permanent work, which can be made extremely profitable.
