## **Company/Product Information**

An innovative leader in the shower enclosure industry, Showerlux Canada Ltd. has revolutionized the traditional image of the shower unit.

Showerlux Canada Ltd. has been setting the standard for quality and excellence since 1978. Showerlux Canada Ltd. is based in Toronto, Ontario, with a separate warehousing and customer service operation in Laval, Quebec. A subsidiary of Duscholux GmbH - the largest shower door manufacturer in Europe - Showerlux offers a comprehensive range of quality shower enclosures in a variety of styles, colours, and glass combinations.

The Showerlux Euros' Collection is the most technically innovative product line on the market. Through exceptional engineering and quality in design, the Euros Collection offers a range of features that are unsurpassed in their versatility and performance.

Customized configurations - for different widths, heights, buttress panels, and inline panels - are readily available. All Showerlux shower doors are delivered fully assembled, eliminating costly, time-consuming problems at the installation site. Every Showerlux door is guaranteed for ten years!

## **CURRENT GEOGRAPHIC MARKETING ACTIVITIES**

In addition to providing market support within Canada, Showerlux Canada Ltd. oversees operations of the American division Showerlux USA, based in Atlanta, Georgia, and handles exporting inquiries for South America.
