

...and other provinces - Newfoundland and
... - achieve a degree of unity through
... of the base of industrial, economic
... and Alberta with the various field and
... and Quebec and a number of
... In addition, the provinces provide
... for capital investment, especially in
... and social development.

Private schools and colleges are normally supported by
... a variety of state and provincial
... bodies.

Universities and colleges received 22 per cent of their
... from provincial and federal governments,
... from 1965; 7 per cent from governments and 11 per cent
... from a variety of other sources.

School Buildings

The number of public schools has remained fairly constant
... but this means a continuing movement towards the
... of smaller structures and the closing of isolated
... schools. The trend is towards the construction of
... of one and two stories, of modern design and functional
... well-lighted, well-ventilated, and makes use of
... and bilateral lighting, folding or otherwise movable
... instead of stairs, ramps planned for special
... activities or projects such as television and projection, music
... and industrial arts, commercial studies and many others.
... and lighting are undertaken with consideration of the
... and the elimination of glare.

There are still, however, some obsolete frame structures
... and many over-crowded buildings remain
... This is true at all levels. Colleges, for
... and crowded quarters to well-planned,
... on broad campuses. Some have found
... in the heart of a town-city and started
... others have expanded through expansion,
... facilities in colleges will
... during the next few years or more, and
... will continue to be conducted from one end
... of the country to the other.

National Organizations Concerned with Education in Canada

Throughout Canada there are many associations and societies
... provincial or national scale, either locally
... or partly interested in furthering some or all phases of education.
... they very widely in size and purpose, from local groups meeting
... and nationally to nation-wide groups with a particular
... and program. Some concern themselves with
... others with provincial problems or those
... or all provinces and with representing Canada
... and other things, and
... providing leadership and
... Only a very limited
... are mentioned here.

Among the better-known organizations in the Canadian
... which dates back to 1891. It is supported
... a number of school boards,
... It maintains a permanent office in Toronto,
... and activities elsewhere. It has a wide membership and
... as a representative organization and
... It has undertaken or sponsored a number
