

Pacific salmon fishery—Cont.

Aboriginal catches—Cont.

Gillnet fishing, Skeena River, 18:26

Monitoring, enforcement, government policy, Rawson directive, 16:24-6, 31-2, 43, 47, 53-4, 58-61, 70-1, 76-7, 81-2, 89-92, 94, 97; 18:11; 20:14

Alaska, Skeena/Nass catches, interceptive stocks, 15:32; 18:32

Alberni Canal, watershed management plan, difficulties, 20:12-3

Allocation plan, 1:17

Area licensing, 18:25, 27-8

Chinook stocks

Babine River, decline, 18:52

Gulf of Georgia, 15:33

Rebuilding, 15:26; 18:14-5, 31

Coho, Vancouver Island

Catch limits, treaty provisions, 15:33

Escapement levels, adequacy, 18:15, 27, 31

Georgia Strait, wild populations, decline, 18:51

Morice River, wild populations, 18:51-2

Committee study, 16:6-109; 17:5-130; 18:5-113

Competitiveness, aboriginal fisheries strategy impact, 16:76

Conditions, Fulton protest, depositing Skeena River sockeye salmon on Prime Minister's desk, 18:29

Conservation, sustainable development, 16:65, 69-70, 82

Non-target species, release in mixed-stock fisheries, 18:46

Sport fishery initiatives, 18:36

United States measures, 15:26

Enforcement, 16:66; 17:22, 51-2

See also Pacific salmon fishery—Aboriginal

Enhancement, treaty negotiations, 11:14

Escapements

Balances, sockeye equivalents, Canadian deficit, 15:25-6, 30-2

Nass/Skeena Rivers, factors, 17:22

Transboundary rivers, 15:26-7

See also Pacific salmon fishery—Coho—Gold River

Foreign overfishing, high seas, driftnets, 18:29

Gaff fishery, Morristown, elimination, 18:26

Gold River

Gillnet fishery, illegal, charges, government position, 18:42, 44

Spring run, escapement, 17:49

Habitat destruction

Bottom trawlers, impact, 18:64-5

Guidelines, non-compliance, non-enforcement, 18:52-3

Human population growth, impact, 18:53-5

Logging, impact, 18:58

Prince Rupert area, sport fishermen, driving trucks on sandbars, 18:32-3

Pulp mill effluents, impact, 18:59

Toxic chemicals, impact, 18:59

See also Pacific salmon fishery—Resource stocks

Hatcheries

Deep Creek, closure, 18:30

See also Pacific salmon fishery—Resource stocks

History, aboriginal people role, colonialism imposition, resource over-exploitation, 18:67-9

Pacific salmon fishery—Cont.

Licences

Retirement program, aboriginal fisheries, reallocations, compensation, Blewett recommendation, 16:22-3, 76, 98-9; 17:16-7, 78-82, 116

Government response, 17:84

See also Pacific salmon fishery—Area licensing—Participants—Sport

Management

Aboriginal/non-aboriginal relationships, co-operation, importance, 17:101-2; 18:36-7

Council of the Haida Nation authority, 17:118-9

Decision-making authority, decentralization, 16:67, 99-100; 17:55, 63

Fisheries and Oceans Department budget cuts, impact, 18:30-1

Gitskan-Wet'suwet'en regime, establishment, 17:123-4, 129-30

Information, data gathering, observers, roles, 18:25-6

Local personnel, role, 17:10

Single authority, Fisheries and Oceans Department coordinating role, importance, 17:37; 18:36-8, 47-8

Nimpkish watershed, aboriginal fishery

Cheslakee hatchery, funding, aboriginal fisheries strategy impact, 18:89-90, 93-4

Enforcement, guardian program, funding cuts, 18:91-3

Stocks, decline, factors, 18:95-6

Surplus fishery, 18:90

See also Pacific salmon—Poaching

Nuu-chah-nulth fisheries

Five-year agreement, monitoring, 17:46-7

Port Alberni, surplus catches, proceeds, disposition, 11:11-2

Opening, restrictions, 18:56

Overfishing, 16:69-70

United States, Strait of Juan de Fuca, 18:45-6

Participants

Identification, 17:43-4

Reduction, licence buy-backs, attrition, 18:28

Pink, United States stocks, 15:27

Claims, historic presence, 15:28

Poaching, 17:13-4, 21

Nimpkish watershed, non-aboriginal people, 18:89

Resource stocks, decline

Aboriginal fisheries strategy, impact, future, speculation, 18:111-2

Crosbie assessment, accuracy, 17:10, 20

Environmental degradation, habitat destruction, relationship, 17:70; 18:15, 51-2

Estimates, accuracy, 18:43, 47, 56-7

Harvest abuses, aboriginal fisheries strategy impact, 16:37, 41, 44-5, 54

Hatchery-reared fish, over-production, impact, 18:52

Historical, aboriginal fisheries, impact, 17:41-3

Investigation, special task force, proposal, 17:63-4

Mortality rates, Fisheries and Oceans Department figures, revision, need, 16:48

Rebuilding program, results, 20:7-8

Sea lions, seals, impact, 18:15-6, 18-9, 27
