GRAIN SALE TO CHINA—AGREEMENT

Motion No. 119—Mr. McLraith:

For a copy of the long term agreement signed by the Canadian wheat board and the China resources company covering the period June 1, 1961, to December 1963.

Hon. Alvin Hamilton (Minister of Agriculture): Mr. Speaker, as with the last motion, I must point out that never in the past have commercial contracts of the Canadian wheat board been made public, in the interests of keeping information from our competitors. I should like to point out that at the present time Australia is competing for markets in China.

Mr. Speaker: Order. The minister may either accept or reject the motion, but he is not entitled to debate it. In view of the explanation, does the hon. member wish to proceed?
