be borne in mind? For instance, as noted on list, a great deal of the university furniture now in Gothic room was recovered at the Currie expense.

She doesn't really ask any rebate for this, but when one of the men at the house the other day passed one of these recovered couches he said he "wouldn't give \$10.00" for it. The couch in question was one which she had had entirely rebuilt and reupholstered and is really quite a valuable piece of furniture.
