MARKHAM VILLAGE.

MARKHAM VILLAGE, Sept. 21.—(Special)—The hottest political fight in the history of Centre York and one of the most spectacular in the whole Dominion was brought to a close to-day in the election of Capt. Tom Wallace by the magnificent majority of 483 over the Liberal candidate, Mr. Dewar, the Toronto lawyer.

From start to finish the fight was characterized by the most active activity on the part of each of the candidates and their friends, and no stone was left unturned that would serve to aid in the work. Mr. Dewar practically covered the entire riding and the other twice, and brought into the riding an array of speakers of all degrees of standing and eloquence.

Capt. Wallace on his part had a fine array of speakers and an effective organization, and from the first was accorded an enthusiastic welcome, more especially in the eastern and southern portions of the riding. Capt. Wallace conducted a clean-cut, businesslike campaign from start to finish, and the popularity of the son of the late lamented and revered Mr. Clark Wallace was a factor in the success of his campaign. He was a fitting and able leader of the Conservative forces, and throughout the riding his attitude of loyalty to Capt. Wallace in his attitude of standing as a candidate was a factor in the success of his campaign.

In only two municipalities was Mr. Dewar accorded a majority, Markham Township, where he succeeded in pulling up 124 over his opponent, and in Vaughan Township, where the Liberal majority is usually about 150, the Toronto lawyer scraped in by a majority of 127.

In every other municipality, excepting Richmond Hill, which gave the Liberal candidate a majority of 113, the Conservatives were victorious. In three, Capt. Wallace made the most decisive victory, in the riding of York itself, where he carried a magnificent majority of 217, as against 56 for the Liberal candidate, Dr. McLean, the then Liberal candidate. It was a wonderful victory and demonstrated the strength of the Conservative cause in this fine old riding stand which has been a source of pride to the people of this riding for many years.

Out in Etobicoke, too, it was a veritable landslide, Capt. Wallace carrying 381 to 113 for the Liberal candidate, Dr. McLean. In Woodbridge, his old home town, he carried 113 to 63 for the Liberal candidate, Dr. McLean. In Vaughan Township, he carried 124 to 68 for the Liberal candidate, Dr. McLean. In Richmond Hill, he carried 113 to 113 for the Liberal candidate, Dr. McLean.

Total majority for Capt. Wallace, 483.

DEPRIVED OF FRANCHISE.

Ald. Jack Patterson of North Toronto did not vote yesterday because his name was not on the official list. It was on the scrutineer's list, but not on the voters' list. He had been on the voters' list, but the name had been dropped. He took the matter up with the returning officer, but the returning officer said he could not do anything. He would not certify to Mr. Patterson. Mr. Patterson is one of the best-known residents in Toronto and South York and has always been a loyal and active supporter of Mr. Maclean. Why his name was left off his past under-lying, there were three other men from North Toronto who were in a similar predicament.

CALLS IT SETBACK.

Comments of New York Times on Result of Election.

NEW YORK, Sept. 22.—The Times to-day says editorially: "Again the hands of the clock have been set back. Prejudice and delusion have triumphed in Canada, the best government the Dominion has had in many years has been overthrown, and the Liberal party, which has been in power, temporarily at least, of his leadership. Large Conservative gains are reported from Manitoba and from Quebec Province, as well as from Ontario.

"The opposition to the reciprocity treaty is the cause of the setback upon the ratification of which the Liberal government of Sir Wilfrid Laurier staked its existence, was partly economic, but largely sentimental, based on a false sentiment at that. The imperial pride of the people was appealed to by all sorts of political trickery, and the preposterous bogey of annexation was used effectively. Lesser political complications, however, such as the Nationalist distinction in Quebec, and the pending charges against minor officers, has had their effect. The Canadian election is a triumph of reaction and ignorance.

RUDELY REJECTED.

NEW YORK, Sept. 22.—The New York American, under the caption: "Trusts and Demagogues Triumph," says: "The darkest shadow on the election of yesterday is the triumph of the American trusts in Canadian politics. The trusts won yesterday, as they won so often in the United States, and by the same methods.

"The hand of the American Republic stretched in commercial fellowship across the border has been rudely rejected. Perhaps Canada will stretch the next hand."

NEW YORK, Sept. 22.—The Tribune says: "The Canada has temporarily refused to accept the reciprocity treaty, and the United States will not alter its attitude of friendliness or cease to hope that another agreement, aiming at the same results as the Taft-Laurier compact will some day be approved by both nations.

FRENCH COUNTIES DID NOBLY IN THE POLLING

Only English Vote in Border Counties Saved Utter Laurier Rout in Quebec.

MONTREAL, Sept. 21.—(Special)—What is the matter with old Quebec, with 38 seats gone over to the opposition and several more which will line up with the Conservatives as soon as recounts are held and the tremendous corruption practiced to-day with Yankee money, shown up without mercy?

Of course there are some disappointments, such as the defeat of Bergeron in Beauharnois, White in Sherbrooke, Dr. Pickett in Missisquoi, but the defeat of Bureau in Three Rivers and Sydney Fisher in Bromes was out of a great deal of sorrow. The French counties have done nobly, and, in fact, it was the English vote in the border counties which prevented Laurier from being absolutely smashed in his native province.

Mr. Stokelands was re-elected in St. Lawrence by the absolute desertion of the Hebrew vote from Mr. Johnson. The English vote in Montreal went almost solid for Borden, Ames carrying St. Antoine by 2000. Coderre, Hochelaga by 1900, which was his majority in Westmount, and Doherty by 900 in old St. Ann's.

Charles White was defeated in Sherbrooke by three votes, but this will be set right in a few weeks. Hon. Mr. Beland, who returned in Beauce, went down to defeat in Montmagny, and Solicitor-General Bureau met the same fate in Three Rivers, while Hon. R. Lemieux was elected in Rouville by 1 with 200.

The popular vote in Quebec Province is overwhelmingly against Sir Wilfrid Laurier, who was returned in Beauce, went down to defeat in Montmagny, and Solicitor-General Bureau met the same fate in Three Rivers, while Hon. R. Lemieux was elected in Rouville by 1 with 200.

BOURASSA'S COMMENT.

MONTREAL, Sept. 21.—(Special)—Discussing the result of the elections to-night, Henri Bourassa said the Nationalists would continue as independent Conservatives as of Liberals.

"The Nationalists," he said, "will continue to fight for the principles for which they have thus far struggled, and in the hour of triumph they would desire above all to emphasize their loyalty to His Gracious Majesty the King. I wish to state that if to-morrow the coming Conservative government were to see fit and despite the rights of the people we will fight them as independent Conservatives as of Liberals."

SIFTON IS HAPPY.

OTTAWA, Sept. 21.—(Special)—Hon. Clifford Sifton made the following short statement pertaining to yesterday's general election results: "This has been a great fight upon the issue of the reciprocity treaty, which has been decided in Canada. The decisive victory is a supreme tribute to the common sense and loyalty of the Canadian people. I have no doubt that the Liberal government will form an honest and strong government and will prove worthy of the trust reposed in him by the Canadian people."

HAMILTON HAPPENINGS

A WIN ALL ALONG THE LINE IN HAMILTON

News Received With Wild Enthusiasm—Barker's Big Majority.

HAMILTON, Sept. 21.—(Special)—Three magnificent victories perch on the banner of the Conservative party in the County of Wentworth. In East Hamilton Samuel Barker is re-elected by a doubled majority. His majority at the last election was 1925. While a Conservative victory was expected in West Hamilton, the result there surprised almost everybody. Complete returns in this riding give T. J. Stewart, the present Conservative member, a majority of 1760 over Mr. McLean, the Liberal candidate. Stewart got 588 votes at the last election and it was not thought that he would greatly increase his majority at this election on account of the three-cornered fight precipitated by the entry of Hiram Dickhout, the Labor candidate, who also opposed the reciprocity pact. Dickhout lost his deposit, only polling 569 votes. The returns for the riding are: Stewart, Conservative, 4385; McLean, Liberal, 2605; Dickhout, Labor, 668.

Win in Wentworth.

Complete returns for the Wentworth County constituency are impossible to obtain, but it is certain that Gordon C. Wilson, the Conservative standard-bearer, will have a majority of at least 600, and very likely 750, over Mr. Sealey, the late Liberal member. Sealey had a majority of 346 at the last election.

The news of the Conservative landslide through the country was received here with the wildest enthusiasm. When the first returns began to come in, indicating the defeat of the Laurier government, pandemonium broke loose and reigned until midnight. A solid sea of humanity congregated around the newspaper offices and rent the air with vociferous screaming.

BROCKVILLE CELEBRATED GEORGE GRAHAM'S DEFEAT

Webster Turned Tables on Former Minister by Majority of Twenty-One.

BROCKVILLE, Sept. 21.—(Special)—In no place thruout Canada did the Conservative party score a more signal victory than in the riding of Brockville, which returns to its former political allegiance for the first time since the White-Comstock election following the death of Hon. J. P. Wood. The man who turned the trick was John Webster, who sent Hon. G. P. Graham down to defeat by a comfortable majority.

Brockville, which three years ago, gave Mr. Graham 193 majority, turned the tables for Webster with 21. As usual the Conservative standard-bearer came to Brockville from the rural parts of the riding with a safe lead, both the farmer and consumer pronouncing against the trade treaty, which followed the closing of the polls and continued for several hours thereafter, failed to dampen the ardor of the Conservative supporters, who celebrate with all the exuberance befitting the victory. Cheering crowds hauled the victorious candidate thru crowded streets, waving Union Jacks and carrying torches and other illuminating devices. The enthusiasm of the victors knew no bounds, the demonstration being continued until long after the midnight hour.
