This advice is right. Your doctor, if you asked him, would tell you so. For Malta-Vita is so nourishing and strengthening and a the same time so easy to digest. It tones up the stomach, restores active digestion, makes rich, red blood and gives new vitality to body and mind alike. That's because Malta-Vita is pure malted whole-wheat. Malt extract, mixed with the cooked wheat, turns

the starch of the wheat into maltose, or malt sugar, most wholesome food and easily digested even by the weakest stomach

Malta-Vita is the perfect food for men and. women. It makes little children sturdy and strong. Always wholesome, fresh, crisp, appetizing. Get some today.
