It is rather unusual to find, as is the case in the vital statistics of the town for the past year, that in 144 births recorded an equal number of males and females occur, there being 72 of each. Usually the percentage of girls is very much greater than that of boys. Of the 76 deaths, 42 were females and 34 males. There were 48 marriages recorded, the oldest couple being 76 and 63, respectively, and the youngest 21 and 17.
