The six-inch depth of mud on Keele-street, the discriminated against by many people, was the means this morning of preventing what might have been a serious accident. A farmer, well known in the Junction, was on Keele-street near the postoffice with a load of apples in barrels. Suddenly and Mrs. J. The latter was as follows: To the Rev. Jas. A. Brown, B.A.: Dear Pastor,-It is with mingled feelings of sadness and joy that we meet you on this occasion to bid you farewell as you leave us to engage in the Master's service in another part of His vineyard.

Sad at the thought of separation, of the dissolution of those happy rela-tionships which have existed between us as pastor and people, yet we rejoice as we recount the manifold blessings bestowed on us as a congregation by the great head of the church during your pastorate, and the many happy experiences we have mutually enjoy-

During the past sixteen years your labors have been characterized by faithfulness, self-sacrifice and love. The reverential and efficient manner in which you have conducted the services of the sanctuary, your regular and punctual attendance at all appointed meetings of the congregation, and other meetings of general interest held in the community, has won for you our highest respect, while your genial manner and sympathetic na-ture has gained our warmest affec-

to those in need, to counsel and admonish the young and others in search of true happiness, attentive to the needs of the sick room, speaking words of comfort and consolation to the depressed and bereaved, your influence has been far reaching and many beyond the limits of this congregation will share with us the loss sustained by your removal. During your pastorate here we have enjoyed, not only the fruits of your labor among us, but also those of your loving wife. Words fail to ex-

press our deep sense of appreciation of the efforts of Mrs. Brown to promote our Heavenly Father's work in our midst. Of her it might be said "she hath done what she could." In the Sabbath school and juvenile mistight Sabbath S wood to take over the practice of Dr. Anderson for a few weeks.

and at bedtime.

A well-known physician states that these are harmless vegetable ingredients, which can be obtained from any good prescription pharmacy.

This mixture will clean the blood of all impurities. In just a few days the skin begins to clear of sores, boils and pimples. It puts vigor and energy into run-down, debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while it built up and made new blood, the impurities remained within and the good accomplished was only temporary. Sarsaparilla, however, when used in combination with Compound Salatone and Extract Dandelion, works wonders. This combination puts the kidneys to work to filter and sift out the waste matter, uric acid, and other impurities that cause disease. It makes new blood and relieves rheuthat cause disease. #### THE LURE OF THE **BARROOM**

The liquer bar is a great temp-tation to some men. It is hard for them to resist it. A small white hearse, fellowed by two cabs with mourners, was en its way to the cemetery a few days age. As the cortege approached a barrosm, the two cabs were stopped, while the hearse with its child-corpse, proceeded on its course to "God's Acre." Several "meurners" frem these cabs entered the bar te regale themselves, intending to catch up when their appetites were appeased. This incident shows that the barreem drives all sense of decency and respect out of its frequenters. It dulls the finer instincts. The barroom is the fee of everything that is noble and of good report. Local Option stands

Camp Elgin, Sons of Scotland, are holding a particularly fine concert in Masonic Hall on Wednesday, the 13th inst., and expect a full house to enjoy the rare treat they are providing. They have engaged the Heather Male Quartet, who were the feature attraction of the great Caledonian concert in Montreal on Hallowe'en, and of the 48th Highlanders' Night-under-canvas in Massey Hall last Thursday; and with them as headliners, assisted by Miss Grace Merry, the talented Toronto elocutionist, and another Toronto artist, they can indeed guarantee about the best concert that has ever been given in Richmond Hill.

Complaints which Riverdale residents have against the C.P.R. and G.T.R. in regard to the obstruction at the Don and Degrassi-street crossings have been placed before the company officials, but there seems to be but little prospect of relief.
