

Hockey 227th - 3 Dents - 2

DENTALS ARE BEATEN LACKED COMBINATION

Had Great Chance to Beat Soldiers in Third Period, But Failed.

Dr. Jerry Lafamme's Dentals failed to come thru in their first senior O.H.A. fixture at the arena last night. The 227th Battalion of Hamilton were returned victors 3 to 2 in about the most unsatisfactory game in many a day. The Dentals have nobody but themselves to blame. The team showed a lack of practice, and a little team play would have easily won for them in the third period. With a two-man advantage the Dentals had a half dozen real chances to score, but threw them away by trying to carry the puck far before passing or also trying to take it right up to the net.

There was a dozen petty squabbles, and the referee was given an argument every time he handed out a penalty. It was a fine exhibition of wood chop, and both sides can be credited with a hand in it.

To make matters worse the timers mixed things up and only ten minutes and 40 seconds of play constituted the second period. Jerry Lafamme got into the timer's box in the final round and it resulted in the gong being pulled while the 227th were carrying the puck up the ice.

Box was the best man on the ice while he lasted. His stomach rebelled from lack of training in the third period and he was a sick boy. Hodgson did some useful work and Allan worked well. Sheldon was fair while Jimmy Stewart worked hard, but drew many penalties. It reverted to six-man hockey in the last period when White of the soldiers had to retire with a badly cut foot. Doyle was dropped to even.

Green, who worked out with Toronto teams, was easily the class of the visiting team. Duncan stopped the puck and allowed no interference from the opposing forwards. Donnelly was the chief wood-carver of the evening's show.

Each club scored a goal in the first period and it was here that the only real hockey of the game was staged. The boys attacked to the playing and left the man alone. Dentals were first to score. The Dents worked three men down. There was a scramble at the net and Hodgson secured the rubber in the muck and ball. Each club had chances, but the defence kept them out. Seven minutes later the soldiers evened it up. Box was resting on the force when McKinnon gave Stewart a hard one to handle. Before he could clear it Green belted it into the net from under his legs.

The timers held the light in the second round with a bout staged between Jimmy Stewart and big Cavanaugh. The soldier defence man chopped the stick out of Jimmy's hands and gave him a rap. The little fellow grappled with him, but they were separated. Stewart pulled off his gloves, but both were benched. The game was over. The players were paying too much attention to each other and the game suffered. Ten minutes and forty seconds was all they were allowed to battle. Box man Green as he was coming in and the soldier player was carried off the ice. He was able to continue after five minutes.

White was unable to come out for the third period owing to a painfully cut foot, and Doyle was dropped to even. The first goal. Three men went down.

CANNOT INSULT BALL MAGNATES

As a result of an incident occurring during the National League meeting when a club owner was verbally assailed by a ball player, who imagined a grievance against him, in a restaurant, President makes it known that hereafter players who are guilty of such misconduct at any time will be disciplined.

Several incidents of the kind occurred during the season, in one case players of the Boston team offering insults to the president of the St. Louis Club. The managers therefore have determined that it is time to enforce the respect due to managers and club owners. Such notice will be served on rowdy players.

In the case which brought the issue to a head a prominent magnate was subjected to a string of insulting remarks from a player who had been released during the season for alleged misconduct. The incident, it is said, has resulted in another club owner who had intended dropping the player changing his mind.

HOCKEY GAMES SCHEDULED TODAY

and McKinnon was at the goal-mouth to bat in the pass. Two Hamilton men were benched, but the Dents threw away their chance to win the game by throwing their team play to the winds and every man trying to get right up to the net. They had at least a half dozen good chances to get goals.

Finley Stewart and Hodgson went up, and Hodgson got the pass, with nobody but the goaler to beat. He went up to the net and drew Duncan aside and counted. While Dents had the two-man advantage they hit the goal post twice, and Hamilton came out in the same number of times to take a shot on his pads. The Dents left their defence standing back when an extra man up would have surely gained something.

Donny won the game when he relieved a press and went up the ice alone. He skated around the defence and walked right up to the net. It was an easy matter to score. It was most unsatisfactory game from the fans' point of view, but interesting in the third period.

ICE RACES TODAY

The Dufferin Driving Club's ice races open today at Dufferin Park, to be continued next Monday, Tuesday and Wednesday. The races have filled exceptionally well every class.

Three races are on today, viz.: 3.10 pace, 2.24 trot and 2.30 pace.

Soft Ice Will Greet Torontonians at Ottawa

Ottawa, Jan. 5.—Jack Fournier of last year's Canadians will be in uniform and will play against Toronto tomorrow night, because the Montreal Club has loaned the speedy defence man to Ottawa, subject to the terms of the locals purchase him outright.

Harry Meeking, who last night, it was thought, would be used by the Ottawas on the ground that he was in the city and is in uniform, will not be used against his former team-mates tomorrow. The Ottawas and Canadian clubs have come to terms over the purchase price of Fournier, and it is up to the player himself whether he plays here or not. Fournier's home is in the capital, and it is altogether likely that he will accept the terms offered and be purchased by Ottawa outright.

Soft ice will likely greet the Torontonians in their opening game here. Both teams are speedy. There is little betting, but what is being done favors Ottawas for the long end of the score.

Champions Make First Appearance at Arena

MAJORS MEET TO DRAFT SCHEDULES

Special to The Toronto World. Chicago, Jan. 5.—Members of the American and National Leagues will meet in Brunswick, Ga., Jan. 10, to draft the 1917 playing schedule for both organizations.

The champion Riverides will make their first appearance in a championship fixture this afternoon, when they will have the Queen's Hockey Club of Kingston for their opponents. The Limestone City collegians have not played in Toronto for two years, when they played the famous St. Michael's team. Riverides will have only three of last year's players in line. The east enders have been exceptionally fortunate in securing "Dus" Addison to play goal in place of Collett, who will likely be out of the game for five or six weeks on account of a recent death in the family. Merrick and Smith will remain in the back line, and the forward line will be composed of Paris and Farr of last year's Argonaut team. Dopp at left wing, and either McCaffery, Hill, Ferriman or Gunn at right wing.

Quebec, who were here a week ago, when they lost to the Torontonians, will meet the 228th Battalion tonight, and while the soldiers should win, the eastern team are sure to put up a great battle. Lieut. Art Duncan is expected to be able to take his place in the 228th line-up, while the rest of the players are in good shape. "Faddy" Moran will be back in the nets for Quebec, while Manager Quinn has also made a couple of changes on the forward line, since their defeat by Canadians.

M. Dohoney is on Board of Western Racing Association

Montreal, Jan. 5.—At a meeting of the Western Racing Association, held here this afternoon, the directors of the association were elected. The only change made in the board from that of last season was that Michael Dohoney of Toronto was added to the list. The reports showed that the first season of the association was a successful one.

TOMMY SMITH WITH CANADIENS.

Montreal, Jan. 5.—The two local N. H. A. clubs will meet for the first time this season tomorrow. The Canadians will likely be strengthened by the services of Tommy Smith, who last winter played with Quebec. Manager George Kennedy put thru a deal with the Ottawa Club for him while in Quebec on Wednesday night. Smith is said to be fit and ready to terms. The Wanderers will line up, practically the same as against Ottawa, and will have no new men on the team.
