NEWMARKET'S FIRST APPEARANCE IN ARENA

Play Aura Lee Tonight Soldiers' Farewell on Saturday -News and Gossip.

Newmarket juniors, who have only lost one game, tackle Aura Lee at the Arena tonight. The kids from the Canal Town have a well-balanced outfit and expect to give the local cracks a real argu-ment.

The 40th Battery team make their final appearance at the Arena tomorrow afternoon. The soldiers will play Riversides in a senior fixture and it will be the Toronto hockey fans last chance to see the great gunner crew in action.

The Preston hockey team will play a series of games in Detroit next month, and in all probability the team will play games in other cities on their homeward journey. The dates set for the games in the City of Straits are Feb. 10 and 11. The team will be at full strength for these games, and a number of rooters will accompany them. In the middle of February the same team will make a trip up north, meeting all the best teams in that vicinity.

Preston has defaulted in the senior O.H.A. race. They had lost four and won only one and had no chance.

They were unexpectedly ordered out on a route march on Tuesday and were not able to go to Elmira for their scheduled game. The O.H.A. does not hold this as a default and the game will be played later.

The departure of the 40th Battery makes it necessary to rearrange the Toronto senior group, which will be done at once.

A Vancouver despatch says: Mickey MacKay, forward of the Vancouver hockey team, has a broken ankle bone, received in the Seattle game Tuesday night, which will probably keep him out of Saturday's game here.

The first player to come under the penalty of the new rule in regard to throwing a stick in the N.HA.. was Harry Hyland of the Wanderers, who, playing against Canadiens in Montreal Wednesday night, threw his stick to stop a rush and was promptly banished for the match and fined \$15.

Soft weather is having its effect on the O.H.A. schedules. Ice is as rare as radium and postponements are in order-all over the O.H.A. circuit.

About Rooter With the Mouth Who Bawls

At Hockey Players

At Hockey Players

In many ways Wednesday night's hockey game was the best group contest ever viewed in the local Arena. Possibly never before did forwards show such an accurate combination as the soldiers. They were all over the Argonaut defence and no one so readily admitted it as the oarsmen and their friends. Even Argonaut supporters enjoyed the splendid play, which was hard and the checking close, but a friendly and sood spirit prevalled thruout. Then why the continued bawling at the players by certain individuals who pester those who are so unfortunate as to sit near them? There are many of the ilk, and all of the same ill-breeding. He bawls at his man in a limited vocabulary: "Stop the big guy," "Give it to Jerry," or "Giet Gooch," according to which side he has bet his 50 cents on. And it is always "dirty work" against his team. or "Get Gooch," according to which side he has bet his 50 cents on. And it is always "dirty work" against his team. He didn't say a word when Major Boehm asked for recruits. That's when he slumped down in his seat like the coward he is. Get Jerry or Knight or Gooch! Whys this degenerate couldn't touch one of them with a 40-foot pole on equal terms. He never played any sort of a game and never will. He has no brawn, muscle or brains—just mouth.

The league will most likely continue with the same cities on the loop. Things will be run on a more economic basis than even last year, and it will be absolutely necessary for the different clubs to hew their expense list pretty close to the line. All the club owners are in favor of continuing, thinking that it would be bad for the league not to operate for even one season.

The local club will hardly hold a meeting until after the league meeting in February.

WIN THEIR FIXTURES

Down United Drug and Business Systems in Commercial League Games.

Ford Motor Car and Goodyear Tire outclassed their opponents in the Commercial League last night. The motorists downed United Drug 6 to 1 and Goodyear defeated Business Systems 8 to 4. A new goal-minder made his appearance in Gene Dopp, the Riverside forward. Gene was between the posts for Goodyear and tried to hook some of the lifts. Dopp had an awful battle with himself to keep from rushing the puck down the ice. Beecher Gale was on the United Drug defence.

The teams:

Business Men Win Two Games, Beating Older Boys and Gym in League Games.

Two games were played in the Senior Basketball League at Central Y.M.C.A. Basketball League at Central Y.M.C.A. last night. The first brought together Ed. Barrow Wants Washington fans are seized with midwinter gloom. They see the Griffmen slipping out of the first division, unless the capital team is strengthened. Boston, Detroit, and Chicago finished ahead of Washington last season, and in the next brush they promise to be as strong or stronger than in 1915. Now Washington has a new menace in the Browns, who have already been acclaimed as pennant contenders. With Fielder Jones at the head, and bringing the entire Sloufed forces with him, St. Louis can be considered first division material, so the scare of Washington fans is justified.

"In my opinion," says Lee Magee, "the loader Boys and the Business Men's II. team, who are taking the place of the student team, who have dropped out. The teams were very even, the play going free for some time, neither being able to score. Nelson, the Older Boy forward finally getting away for a base to score and evened up the game. Nelson and Davis then got away from their checks for clean baskets. Parker scored on a good pass from Hardy. Nelson and Brown, the Older Boy forwards both rolled in the next two. Hardy, who had been loafing near the basket, scored just before the half time whistle. Score: Older Boys 12, Business Men's the Older Boys and the Business Men's

"In my opinion," says Lee Magee, "the two best pitchers in the Federal League, the two men I'd go furthest to get if I were a big league manager, were two jumpers from the Reds, Dave Davenport and Gene Packard. They butclassed all other pitchers, if you leave it to me. Both were getting better all the time during the past season, too, and both should be top-notchers during the coming summer."

FORD AND GOODYEAR

Whistle. Score: Older Boys 12, Business Men 6.

The second half started with a rush, Davis scoring the first goal, but Hardy evened it up a minute later. Davis rolled in two more in succession, the last being a nice one-hand shot. Armistrong scored the next on a foul shot. Hardy added two more points before Nelson scored for the Older Boys. Combination scored the next for the Business Men, as they outguessed their opponents, Parker getting a clear field for a goal. The Older Boys defence are intercepting well, preventing a number of sure goals. Armstrong, who is playing a hard game at centre, added a point on a foul shot, and added a goal on the next play. With 30 seconds to go Parker evened up the score, but Brown put the winning basket in.

—Second Game.—

The second game brought together the Gym team and the Business Men. Lee, the centre man of the former, started the fireworks right at the start with a beautiful shot from the side. Peacock, however, soon evened up when Parks intercepted a pass and passed over to him. Play went even for several minutes, then Parker scored, putting his team in the lead. Peacock rolled in another and Parker rolled up the score with two in a row. Lee then scored on a foul, ending the half. Score: Business Men 10, Gym team 3.

Parker started the second half by increasing the score with a nice one-hand shot, and did the trick again a minute later. Hill scored on a foul, and Peacock added a point on a similar offence. Leask could not hold Parker, who is shooting very good, he getting two more. Peacock then added two, and Parker added 2 before time. Score: Business Men 31, Gym team 4. Teams and scores:

Special to The Toronto World. ST. THOMAS, Jan. 26.—"We are facing new conditions in recruiting and we must meet these by methods suitable to the conditions," was the central theme of Mr. Rowell's patriotic speech here on Wed-

Mr. Rowell pointed out that during the first year of the war we were suffering first year of the war we were suffering from a serious trade depression and there was a large amount of unemployment with many industries working only part of the time. Recruiting then was easy without disturbance either to the industrial or agricultural interests of the country.
