

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The Title of the Ground on which the building is to be erected.
- 3.—The size of the building; the numbers it can accommodate; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building; the progress it has made towards completion; and the amount of contributions on the spot in money or labour.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—The manner in which the pews are to be disposed of—number of free seats, &c.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

At the last Annual Meeting it was Resolved, that in future no grants be made from this Society to aid in building Churches, except upon the condition that all the seats be free.

A Resolution was passed, Oct. 14, 1854, by the D. C. With reference to a Resolution authorizing the employment of Assistant Missionaries, it was Resolved on the 17th August, 1849 :—

"That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee."

"Resolved,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye Law, that the annual payment of five shillings to the general objects of the Society constitutes a Member; but that any person may devote his money to any particular object which is recognized by the Society."

At a Special General Meeting of the Society. Oct. 14th, 1854, it was Resolved—"That the Rule under which the Assistant Missionaries of this
