## DISTRICT VISITING SOCIETY.

The work done by the members of this Society during the past year has been most effective and signally blessed by Him in whose name it has been carried on. At the first meeting last October much regret was expressed at the loss sustained by the Society by the resignation of these valuable and faithful visitors: Miss Williams, Miss Todd (Mrs. Payne), and Miss Jarvis (Mrs. Brydges). Not only have the visitors brought to the notice of the Clergy the poor, the distressed, and the afflicted, but they have kept prominently before the people in their district the various services of the Church, Cottage Meetings, &c. The number of visits paid since October last was 1668, or an average of 238 monthly. The following are the visitors: Mrs. Hare, Mrs. Eccles, Miss Rich, Miss Bella Clark, Miss Edith Clarke, Miss Dumoulin, Miss Dixon, Miss L. Dixon, Miss Gilmor, Miss M. Joseph, Miss Shanklin, and Miss Atkinson.
