Entries for Every Day Club Sports to be Held Tomorrow

As will be seen from the programme given here, the sports on the Victoria grounds tomorrow afternoon, under the auspices of the Every Day Club, will be very interesting and the racing exciting. The field of runners is an exceptionally good one. Quite a number of the contestants were on the track last evening and the greatest interest has been aroused in the various events, especially the 100 yards dash and the half mile and two mile run, although every one will be keenly interested in the 100 yards dash and the half mile run. Men will be at work on the grounds all day today with the roller leveling the track.

The attendance of St. Mary's Band and the Scott Boys' Brigade will be a feature of special interest. In addition to the sports in the afternoon there will be a great double-header ball game between the Algonquins and Portland, and the Marathons and Clippers. Altogether it will be a great day for the Victoria grounds, and a great crowd is expected to enjoy the sports. The grand stand has been fitted to accommodate a large number, and the "bleachers" have also been repaired. The forces have been closed in, and the pavilion fitted to meet the needs of the participants in the sports. The Every Day Club are to be congratulated on the persistence and energy shown in the sports on the grounds in the last ten days.
