West Indies and Demarara.

Todas have curtailed their publicity fund, let us hope that the business men of our city will put their shoulders to the wheel and keep up the good work. But do not let us err as did the Californian who raised the giant potatoes.

"An easterner who had just arrived here had heard of the wonderful potatoes this man raised, so he sent his hired man over to huv a hundred pounds.

The labor situation in Paris was brighter this morning and there was a fair prospect of a general settlement before long.

"You go back where you came from, snorted the Californian, 'and tell your boss I won't cut up a good potato for any one!"—Rehoboth Sunday Herald.
