WHITE OXFORDS

The Seasonable Footwear For Women
Handsome Styles in Leather and Fabric

The popularity of "White" for summer apparel has for several seasons advanced by leaps and bounds—and for good reasons, too.

White is cool to wear—it is cool to look upon—it conforms with any occasion—it harmonizes with nearly every color.

And this season with the shortage of dyes and of labor, white may well be called the "Liberty Color."

WHITE SHOE CLEANERS—WHITE LACES

USE 'EM ALL

Don't waste any of your vegetables. Use what you can and can what you can't.

You may think this superfluous advice after you have failed to grow them, but it is a fact that through carelessness, quantities of vegetables are wasted each year.

The thing is, to use them one way or the other when their quality is 100 per cent. Remember that it is very easy to let them go too far and then to find that they are on the turn and you can do nothing more with them. There is such a thing as catching them just at the right moment. One of the greatest assets of a garden lies in having vegetables of such a quality that you cannot buy anything in the stores to equal them either canned or fresh.

Then again, very few people take advantage of the young vegetables which they are thinning out about this time. For instance, the young beets taken up now are better for pickling than any of the later growth. Another thing that Canadians do not realize is that the tops of vegetables should never be thrown away. French women use them all in their soup stock. Canadian women throw them in the garbage can. Try saving them, and keep the water you boil your vegetables in for the stock pot, too. This is another tip from the thrifty Frenchwoman. The tops of beets, especially the young plants you pull to thin out the rows, make as delicious "greens" when boiled as spinach.

CITY CHILDREN GET FRESH AIR

Excellent Opportunities for Vacations for Toronto's Poor—"Moorelands" Dedicated To Work of Mercy

(Toronto Globe.)
Bring a wisened child of seven, Reeking from the city slime, Out of hell into your heaven, Set her knee-deep in the thyme.

Feed her—clothe her—even so! Set her on a fairy throne; When her eyes begin to glow Leave her for an hour—alone.

They might have called it "The House of the Hundred Windows," that lovely spot on Lake Simcoe's shore where the Downtown Church Workers' Association has built a home for tired mothers with babes in arms, for little children "old in grief and very wise in tears," and for business girls whose incomes make difficult the struggle to be good. But they have called it "Moorelands," for love of the big-hearted man, known in spite of his grey head as the Rev. "Bob" Moore of St. George's, a parish once famous like St. George's, Hanover Square, London, for its fashionable marriages, but now winning greater glory through its tireless work for the bodies and souls of the poor in the heart of "The Ward."

Mr. Moore was at the dedication service held by the Bishop of Toronto on Saturday, and when called on for a speech after the prayers had been said, the rector of St. George's declared, addressing the bishop:

"You have given this house your blessing, my lord, but it has had another blessing, too, the blessing of a baby's presence on this, its opening day. I believe God sent that baby and that she

MY TIRED FEET ACHE FOR "TIZ"

Let Your Sore, Swollen, Aching Feet Spread Out in a Bath of "Tiz."

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will "riggle" with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead all tired out—just try "Tiz." It's a brand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quart of the best freckle, sunburn and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents.
