AFTER SICKNESS OR OPERATION

It is a pathetic mistake to accept drugs or alcoholic mixtures when nature craves nourishment to repair the wasted body and restore the vigor of health.

For forty years the best physicians have relied on the wholesome predigested nourishment in SCOTT'S EMULSION which is totally free from alcohol or opiates.

Scott's Emulsion sharpens the appetite—renews blood—nourishes nerves—strengthens bones and restores the courage of health to make life bright.

Scott's Emulsion sets in action the very forces that promote health. Its purity, richness and strength has stood the test of forty years.

FATALITY OF WHOOPING COUGH

Many parents think lightly of whooping cough, and treat it as a necessary evil, not giving the child who has it any special attention.

The seriousness of whooping cough was emphasized by the Medical Health Officer in Toronto a few months ago, when he reported 14 deaths during the month from whooping cough, and only three from scarlet fever, typhoid fever and measles combined.

So many people write to us about the relief and cure of whooping cough by the use of Dr. Chase's Syrup of Linseed and Turpentine that we can recommend it with the greatest confidence.

It loosens the cough, aids expectoration, and by its soothing influence prevents the terrible paroxysms of coughing which are so distressing to witness, and which wear away the strength of the child. By using this treatment the disease is held in check, and cured in a few weeks, instead of months. Look for the portrait and signature of A. W. Chase, M. D., on the bottle you buy. There are many imitations.

It is probable that the speech from the throne at the opening of parliament in Ottawa next week will include no reference to any naval bill, but that the matter will be left to a party caucus.

J. M. Lynch, who, since 1900, has been head of the International Typographical Union, was tendered a farewell banquet last evening in Indianapolis, upon his retirement from the office of president, by members of the union. He is now state labor commissioner of New York. J. M. Duncan, of New York city, has succeeded him as president.

At a smoker held last evening at the Windsor Hotel, St. Stephen, N. B., by the board of trade, Captain Mowatt, port superintendent at Liverpool for the C. P.
