Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the umparalleled success of Vrngaa Brrams?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-groing principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vrngaa Brrams in health of the sick of every disease man is heir to: They are a gentle Purgative as well as a Tonic, rolleving Congestion or Inflammation of the Liver and Visceral Organs, in Billous Diseases.
