NEW BRUNSWICK CAN BENEFIT NOW FROM NEW RATE

NEW YORK, N. Y., Aug. 2.—Mr. John Norris, chairman of the committee on paper of the Canadian Newspaper Publishers Association, has issued a bulletin relating to the tariff on pulp and paper in which he says: "In the proposed tariff bill publishers have secured the abolition of the duty of \$1.51 per ton on ground wood. They obtained a reduction from \$5 per ton to \$2.75 per ton on print paper—a saving of approximately \$2,000,000 per annum in the cost of news print paper to publishers. The Senate raised the rate to \$4 per ton and the conference had substantially agreed on a compromise rate of \$3 per ton when Premier Tait announced to congressional leaders on or about Saturday, July 24th, that a \$4 rate was necessary for the application of the protection principle of print paper.

"Under the new schedules each province of Canada is regarded as a unit, so that Nova Scotia and New Brunswick, which have no restrictions of any kind upon exportation of pulp or paper, can immediately avail themselves of the new tariff rate. Quebec has a stampage tax of 25 cents per cord of wood cut from crown lands for exportation, from which the province obtains a revenue of \$25,000 per annum. There is no stampage in Ontario, which absolutely prohibits the exportation of wood cut from crown lands. Newfoundland prohibits the exportation of pulp wood.

STREETS WILL NOT BE PAVED

The Common Council at a very lengthy session yesterday turned down the by-law to regulate boxing matches which had been fathered by Ald. Holton, laid the permanent paving proposal over until additional information should be secured, declined to increase Consulting Engineer Peters' salary to \$1,200 per annum and refused to investigate the affairs of the fire department unless specific charges were brought against chief Kerr.

When the report of the Board of Public Safety was considered there was considerable discussion on the question recommending the erection of a new fire station on West Side. The session was sent back to the Safety Board with instructions to have the building erected at the corner of Queen and Victoria streets at the price mentioned by the tenderer, A. E. Hamilton, or to call for new tenders for the construction of the building on a lot leased by John R. McAndrews at the corner of Queen and Ludlow streets. The harbor committee's report was passed unanimously.

Ald. Frink asked why the report had made no mention of the proposed property transfer on West Side. Ald. McCordick explained that the report was being printed and would be presented later.

On the motion of Ald. Kelley a by-law for the benefit of public morals was read and passed. This by-law is to prohibit under penalty the sale of indecent literature, whether newspapers, pamphlets or books; also the sale or exposure for sale of indecent prints within the city limits. This by-law was added to the report of the committee, which was adopted as a whole.

ACTION BROUGHT IN WOODSTOCK DECIDES TO GUARANTEE BONDS

St. Stephen People Do Not Believe Allegations Made Against Mrs. Sinclair

J. D. Dickinson & Sons Will Now Proceed With Erection of Tannery

ST. STEPHEN, N. B., Aug. 2.—A dispute between St. Stephen and Woodstock, N. B., concerning an impending divorce case, has created some interest here. Mrs. Sinclair was born and brought up here and always had a good reputation. She was married in Cambridge two years ago when nineteen years of age, the young man whom she married belonging to that section. After marriage the young wife continued her employment in a store, the husband alleging that he was unable to support her. Last spring she brought an action against him in the courts for non support and won her case, returning with her mother in St. Stephen. It is believed here that the husband's divorce is a spirit of revenge because of the action for non support and that they cannot be substantiated.

AMUSEMENTS

"WOODLAND WOOLING" BIG HIT AT NICKEL

The Nickel Theatre inaugurated its new picture service yesterday with a magnificent bill contrasting films made in New York, London, Paris and Italy, indicating at the outset the wide range of interest and photographic possibilities under the new arrangement. Most favored in the programme was the delicious American comedies, "Jealousy and The Man," and "Sweet and Twenty," by the Biograph Co. The historical drama, "The Neapolitan Uprising," by the Italia Co., was intensely interesting and the comedy, "Mrs. Simpson's Attraction," by the Union Co., excited much laughter. These animated photographs were faultlessly projected by the Nickel's new machines. Indeed, it was quite a change for regular Nickelgoers to sit and watch pictures of the very latest date of trapeze-acts, not seen in this house for many months. Holmes and Buchanan in re-producing their sketch, "A Woodland Woolling," made an uproarious hit, and were encored time and again for the pretty numbers the piece contained. Miss Holmes' Gypsy song and Mr. Buchanan's solo, "The Island of Love," were the particular gems of the evening. This unusually fine attraction will be heard again at 4 this afternoon and tonight at 8 o'clock and 9.15. It commences each week at 4 minutes. Life Dorothy Dainty, the nine year old singer and dancer, made her debut successful though a bit frightened under orchestral conditions in the evening, finally got her bearings and was loudly applauded. This child dances prettily as well.

THE WESTERN PLAYLET A BIG HIT.

It is seldom that two people will jump into favor as quick as "The Western Playlet" did last night at the Princess. They received an ovation. They have one of those nice, clean acts, one that appeals to all, "The Ranch Girl," a pretty western love story just bubbling over with genuine fun. One of the big features in this act is the recitation "Kimbrey," by Mr. "Esher. This recitation received tremendous applause last night. There are a number of very catchy songs, and taking the act from a professional standpoint is one of the best ever offered at this house. An excellent programme of pictures were also given, and good house went far to make the show offered at the Princess by far the best in town.

THE NEW SHOW AT H. H. H. A HIT.

The H.H.H. still continues to present the show they at seek to copy. Yesterday, as all new show, with all new people, was presented, and they all made good, at least patrons said so, and the applause proved it. Blamkin and Heber, a new pair of singers, in 15 minutes of popular songs, captured lovers of that class of music. Their opening number was shipwrecked, a sea song, followed by a solo, "Lazy Moon," a very catchy number from "The Red Moon." Miss Heber singing one verse, Mr. Blamkin singing the other, and both singing the chorus. Their third selection was a miniature musical comedy entitled "The Lovers' Quarrel," a duet, and judging by the applause and comment these singers are going to make a hit. Carmen and Espher, lady banjoists, who had the know how to play those instruments, several of our local banjoists pronouncing them "great." The Greek Auto Race, as promised, is the best and most exciting auto race picture ever seen here. A number of local owners of automobiles, it is not wanted to go at the speed the racers went. Those who want excitement in pictures certainly have it in this one and shouldn't miss it. "In the Hands of The Enemy" is a very strong drama, and "The Lost Necklace" a comedy. Same show today. New pictures tomorrow.

"ORAN AMOK" WHEN HE IS MADDENED BY FRENZY

"Amok" is a religious fanaticism, a madness under which a man makes up his mind to kill any one he can until he himself is killed. Brought on by drink or religion or from whatever cause, the process is the same. The madman seizes his cross and rushes headlong down the street, cutting at every one he meets. To any one who has seen a cross or a strange foreigner detail is unnecessary.

A man running amok is as a dog with hydrophobia, but the panic caused by the former is by far the worst. Like the mad dog, the madman is followed by a rabid rabble, who sooner or later run into their man and exterminate him. When this vengeful rabble is made up of bloodthirsty Malays and Chinamen its wild rage and fury are beyond control, beyond description. The clamor and bloodcurdling yells of the parading crowd and the ever near shouting of "Oran amok, oran amok" are incidents which can never be forgotten by any one who has seen or heard them. The bravest quails when suddenly turning the corner of a street his ears are greeted with the cry of "Oran amok" and a few yards off he sees a Malay running straight at him, brandishing in his hand the bloody cross with which he has already slaughtered all in his way—London Chronicle.

TWO PARALLEL LINES

PITTSBURGH, Pa., Aug. 2.—Two babies of different families, but born the same day, seized with illness the same day and died the same day, were buried today in St. Mary's Cemetery, near Homestead, at the same hour. The families live in adjoining houses in West Homestead.

One baby was a girl, Sarah Margaret, the daughter of Michael Macle; the other was a boy, John, son of Elmer Weason. Both children were born on May 27 of last year, and both mothers often sat together and their infants cooed at each other.
