The total expenditure of the board in supplementary pastors' salaries was \$1,114.32. The board retors a number of circuits had been left without pastoral oversight. Aside from this the outlook for the future After a discussion, during which many of the delegates expressed

gratitude at the good work done by the board, the report was adopted reported through Dr. Manning that the number of baptisms on the field in India during the year had been 77. The methods of work, including mission schools, Sunday schools and hospitals, were described and most encouraging results noted. An urgent appeal was made for more mission-aries and more funds. A deficit was reported last year and a larger one is threatened this year. The churches were urged to become more familiar

After further helpful discussion this report was also adopted.
