FIRST SHOOTING ACCIDENT

IN HUNTING SEASON

(Bangor News.) The first fatality of the hunting season occurred on Friday, Oct. 5, when Edgar Bailey, aged 61 years and married, of Mattawamkeas, was shot and killed by Guy H. Lobley, aged 17 years, son of Joseph Lobley of the same town. Both were hunting and Lobley mistook the older man for a bear and fired. Bailey died one and one-half hours later. The shooting occurred hours later. The shooting occurred about 3:30 o'clock on Friday afternoon at Burnt Land in Mattawamkeag. Coroner Thomas J. Finnigan of Ban-

It was too much of a load for him and he abandoned the idea and returned for a stretcher and assistance.

Lobley informed Mrs. Bailey that her husband had been shot by him and with Getchell returned with the stretcher, upon which the man, breathing his last, was carried to the camp. He died, however, before the end of the trip was reached. Coroner Thomas J. Finnigan was otified and left for Mattawamkeag
