CHATHAM.

JUNE 20.—Mr. J. D. Cresshman has returned from a three days business visit to St. John.

Mr. John McKane, formerly manager of the Merchants Bank in Newcastle, but recently of British Columbia, arrived in Newcastle on Friday on a visit to old friends.

Mr. T. J. Barry of Chatham, received the degree of B. A. at St. Francis Xavier's College, Antigonish, N. S., on Monday.

Miss Louise Tweedie completed her course of training at the Victoria Hospital to day, and leaves this evening for St. John to visit friends for a few days before returning to her home in Chatham.

The following despatch has been received here: Renova, Pa., June 14.—John Dunn, yard shifter in the central depot here, was killed in the yard at 3 a. m. this morning, while engaged at his duties. He leaves a wife and four children. His eldest son, 12 years of age, was killed by being run over by a train here just a year ago. Mr. Dunn came here several years ago and belonged to Chatham, N. B. John Dunn was a son to James Dunn, of Chatham, and a brother of Thomas Dunn, Canada Eastern station agent at Blackville.

Rev. Geo. M. Young, who preached in Charlottetown a few weeks ago, has been invited to accept the pastorate of the Methodist church there, the largest and wealthiest Methodist congregation in the Maritime Provinces. It is a great honor for so young a minister to receive. Mr. Young had already received and accepted an invitation to remain in Chatham a fourth year, and is not wishing to release, but the Quarterly Board of St. Luke's will probably not feel that it would be right to stand between him and the professional advancement that has been offered to him. The matter is, of course in the hands of Conference, but that body will try to please all parties concerned. It will be to the Charlottetown congregation the man of its choice if it can find one for Chatham who will be acceptable to this congregation.

At the home of the bride's sister, Mrs. J. Currie (according to a clipping from a Mass. paper) one of the prettiest home weddings of the season took place on Wednesday evening last, when Miss

Tired Brain

Weak Nerves.

Irritability, Despondency and

Body Irregularities Are Cor-

rected by Using Dr. Chase's

Nerve Food.

Millions of brain and nerve cells are daily consumed by the activities of the body and its various organs, and as many more cells must be created to take their place. Otherwise there is a wasting away of nerve tissue until nervous prostration, paralysis, epilepsy, or insanity are brought on.

The same cell changes which hasten the progress of disease speed the work of repair when curative agencies are at work. Dr. Chase's Nerve Food stops the waste and restores vitality by the building-up process. Through the blood and nerves it rekindles the vital flame in the brain and nerves and restores health and strength to the pale, weak and nervous.

Mr. A. T. P. L. L. L., railway agent at Clarendonville, Que., writes: "For twelve years I have been run down with nervous debility. I suffered much, and consulted doctors and used medicines in vain. Some months ago I heard of Dr. Chase's Nerve Food, used two boxes, and my health improved so rapidly that I ordered twelve more."

"I can say frankly that this treatment has no equal in the medical world. While using Dr. Chase's Nerve Food I could feel my system being built up, until now I am strong and healthy. I cannot recommend it too highly for weak, nervous people."

Mrs. Chas. H. Jones, Pierston, Que., writes: "For years I have been a great sufferer with my heart and nerves. I would take shaking spells and a dizzy, swimming feeling would come over me. Night after I would never close my eyes, and my head would ache as though it would burst. At last I had to keep to my bed, and though my doctor attended me from fall until spring his medicine did not help me."

"I have now taken five boxes of Dr. Chase's Nerve Food, and it has done me more good than ever I believed a medicine could do. Words fail to express my gratitude for the wonder cure brought about by this treatment."

For men, women and children Dr. Chase's Nerve Food is of incalculable worth as a blood builder, nerve revitalizer and general restorative. Through the medium of the blood and nerves it reaches every organ of the body and carries with it new vitality, new vigor and new confidence. Diseases and weaknesses cannot exist when Dr. Chase's Nerve Food is used. In pill form, 50c a box, at all dealers, or Ed. Manson, Bates & Co., Toronto.

Emma MacDonald was married to Charles Henry McDougall by Rev. Jesse Wagner. Both of the contracting parties were residents of Cambridge. The bride was dressed in an arbor of roses and wreaths of laurel intermingled with roses. The bride was handsomely gowned in white organdy, trimmed with white chiffon. Her bouquet was of white roses. She was unattended.

After the ceremony Mr. and Mrs. J. S. Currie, and accepted the congratulations of a large number of friends from Cambridge, Milton, Dorchester, Somerville and Boston. Mr. and Mrs. McDougall left Thursday for Ladlow, Mass., where they will reside in future. The sender of the clipping adds that many valuable presents were received by the bride, and that she was formerly of Chatham.

NEWCASTLE.

JUNE 20.—Rev. Messrs. Aitken, Johnson and Murray were in Halifax last week attending the Presbyterian Assembly.

Mr. and Mrs. A. E. Chapman left Wednesday for Halifax en route to England where they will spend the next few months. Mr. and Mrs. Chapman will also visit the Paris exposition.

Mrs. Andrew J. Cooke was at home to her friends Wednesday and Thursday at her residence, Upper Luts street.

The Central Methodist Church at noon on Wednesday was the scene of an interesting event when Miss Georgia Cole, daughter of Mr. R. C. Cole, and one of Monton's most highly respected and esteemed young ladies, was wedded to Mr. Geo. D. Ellis of Wolfville, son of Mr. J. V. Ellis, M. P., St. John. The church was most beautifully decorated by friends of the bride for the occasion. The pulpit was literally banked with an array of plants in bloom, while over each aisle was a floral arch in green and white, prettily designed. At 12 o'clock the bride entered the church leaning on the arm of her father, by whom she was given away. The ceremony was performed by Rev. W. W. Lodge assisted by Rev. John Prince. As she proceeded down the left aisle Prot. Frey played a wedding march and the choir at its conclusion sang "The Voice that breathed O'er Eden." The bridesmaids were Miss Ethel Sumner and Miss Helen Cole. Dr. W. L. Ellis of St. John, did the honors of the groom. The bride wore a charming attire in a beautiful wedding gown of white silk, with a bridal veil and train and carried a handsome bouquet of flowers. The bridesmaids also carried bouquets.

After the ceremony the choir sang "How Welcome Was the Voice" and the procession, headed by the newly wedded couple, started down the aisle to the music of the wedding march. At the church door a crowd had congregated and rice and good wishes were in profusion. The happy couple and several invited guests repaired to the home of the bride on

Alma Street where a sumptuous repast was partaken of. The bride is one of Monton's best known and most popular young ladies, and the groom has hosts of friends in this city who will wish him and his bride every happiness and prosperity. The happy couple left on the C. P. R. on a trip through Cape Breton prior to leaving at Wolfville. The ushers were Messrs. J. N. Ellis, St. John, Len Harris, W. Bishop and Eugene Mcweeney. The bride was the recipient of many handsome and costly presents.

THINGS OF VALUE.

"What do you think of the census?" asked Mr. Beechwood. "It is a questionable proceeding," replied Mr. Homewood.

SLEEPLESSNESS.—When the nerves are unstrung, when the mind is filled with gloom and dismal forebodings, the result of excessive mental exertion, nervous troubles, and the stomach craves for a stimulant. It is only the subject could sleep, there would be no reason for a while and temporary relief. For the "Vegetable Pills" will not only induce sleep, but will also so beneficially that the subject will wake refreshed and restored to happiness.

"He—may as well confess it, dear. I am not happy one moment without you."

"She—what on earth will you do after we are married?"

THE FLAGGING EXERCISES REVIVED.—Constant application to business is a tax upon the energies. If one is to keep his mind, his body and his nerves are sure to intervene. These come from excessive exertion. The want of exercise makes the system sluggish, the stomach craves for a stimulant. It is only the subject could sleep, there would be no reason for a while and temporary relief. For the "Vegetable Pills" will not only induce sleep, but will also so beneficially that the subject will wake refreshed and restored to happiness.

"Mamma," said five year old Johnny, "I'll make a bargain with you."

"What kind of a bargain?" she asked.

"If you'll give me a nickel every day to buy candy," replied the little diplomat. "I'll promise not to tell any one that you have made such a bargain."

Cornacum interlarded his palm. Holloway's Corn Cure removes the trouble. Try it, and see what amount of pain is saved.

"Do you believe in early marriages?"

"Yes—but suppose we make it high noon!"

Skepticalism.—This is a sublimely an age of skepticism, but there is one point upon which ages are agreed with the subject agree, namely, that Dr. Williams' Pink Pills is a medicine which can be relied upon to cure, remove pain, heal all kinds of sores of various kinds, and banish all inflamed parts of the body to which it is applied.

First Outpouring.—Here comes old Shark. Let's swim away.

Second Outpouring.—Why?

First Outpouring.—Oh, he's a fellow telling about the time he caught a man 10 feet long and let him get away.

Free and easy expectoration immediately relieves and frees the throat and lungs from viscid phlegm and a medicine that promotes this is the best medicine to use for colds, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Black's Ankle Compound Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

"Woman," said the Corned Philosopher, "will never succeed in her demand for the same pay as man for doing the same work. The only way to get the same pay for the same work is to howl for more pay for less work."

The superiority of Mother Graves' Worm Expeller is shown by its good effects on the children. Purchase a bottle and give it a trial.

"Do you play golf?" asked Miss Mabel Brown.

"No, Miss Brown," answered Mr. Erasmus Pinkney, with indignation. "I may have been on the links, but I consider it a waste of time for my work."

The most difficult problem in life is to grow old gracefully.

"Oh, I don't think so; it is much more of a problem to stay young gracefully."
