their home grounds this year.

## RING GOSSIP.

If Sam Langford beats Ian Hague  
at London, May 24, he will be matched  
to meet Joe Jeannette at the National  
Sporting Club.

Artie Simms, the Akron light-weight  
with the heavy wallon, has been  
matched to box George Fraser at Lo-  
rain, early in May.

The rivalry between Sandy Fergu-  
son and Sam Langford, and the an-  
ticipation of the fight, will undoubtedly  
result in a rattling exhibition for  
the Army Club members Tuesday  
night.

Bill McKinnon, the Roxbury middle-  
weight, and Jimmy Gardner of Low-  
ell, will box 12 rounds at the Army  
Club May 11.

The Army Club has signed Dave  
Deshler of Cambridge and Freddie  
Welch, the famous English light-weight  
to box 12 rounds May 4.

With a little more experience, Andy  
Morris, the East Boston heavy-weight,  
will make some one step lively to  
beat him.

James Coffroth declares that when  
the proper time comes for bidding for  
a match between Jeffries and Johnson  
he will enter the field with an offer

RENAUD WILL  
REMAIN A  
SIMON PURE

True reports that Henri Renaud,  
who won the Boston A. A. Marathon,  
will turn pro seem to have been  
slightly previous.  
That he might not injure his am-  
ateur standing, Renaud called on Geo. V.  
Brown at the Boston Athletic Asso-  
ciation to find out just what he could  
do and still remain a Simon pure. 'The  
youngster said that he had no de-  
sire to become a professional, and that  
he will not compete in another Mar-  
athon race until next October, when he  
hopes to participate in the event held  
in conjunction with the Brockton  
Fair.

## Will Not Run May 1.

Renaud is advertised to compete in  
the Northwestern Athletic Club Mar-  
athon in New York, May 1, but he says  
that he will not. He also has a  
tempting offer from Pat Powers, the  
well known promoter, to contest in  
the big professional Marathon run in  
which St. Yves and others will com-  
pete at New York, Saturday May 8.  
These two inducements, together with  
finding out just what the people of  
Nashua will be allowed to do in the  
way of giving him a present, brought  
the youngster to the city. It is pos-  
sible that the young man will go to  
New York for a visit, but will not  
take part in any races.

CORBETT WINS  
FROM KEYES IN  
STIFF FIGHT

New York, N. Y., April 23.—Young  
Corbett defeated young Keyes tonight  
on points on a slashing fight before  
the Fairmont A. C. In the ten rounds  
there was not a hit and each led from  
the start apparently tried for a knock-  
out.

The pugilistic experts decided, after  
the contest, that Young Corbett has  
"come back" into his own, and that he  
is entitled to a bout with any in his  
class, including Battling Nelson.  
Keyes' savage raves had Corbett  
reaching for his wind towards the end,  
but throughout the contest Corbett was  
able to land hard punches when he de-  
sired.

## GLINTS FROM THE DIAMOND.

John Evans is going to join the  
Cubs April 30. He has yielded to the  
entreaties of his team mates and de-  
cided to cut short his proposed long  
vacation.

Jack Chapman, who was reported  
critically ill at one of the Boston ho-  
tels, left yesterday for New York. He  
said that he had been suffering from  
an attack of grip, but that he was  
by no means as sick as the reports  
had indicated.

Manager Stallings will put Earl  
Gardner back out of the Eastern  
league next fall at the close of the  
season. In the meantime the club  
will be given an opportunity  
to complete his baseball education  
with Jersey City before he essays  
big league baseball again.

Honus Wagner was called to a halt  
while speeding his automobile along  
the boulevard in Pittsburgh the other  
morning, and when he refused, Police-  
man H. Bender went before an alder-  
man and made informal complaint  
against him, charging the mighty one  
with exceeding the speed limit.

Cy Young on Friday was at Cleve-  
land. The veteran was given one of  
the grandest welcomes of his career  
when the fans got their first oppor-  
tunity in many seasons to see him  
in action as a member of a Cleveland  
team.

Johnny Kling will return to the  
world's champion Cubs by May 15.  
If not sooner, probably May 1. It was  
related by a Chicagoan who has had  
business dealings with Kling that  
John has intended to return by May  
15, at which time the real business  
of his billiard hall venture goes into  
summer decline.

Ed. Killian will be given a chance  
to show his worth again before Hugh-  
ey Jennings lets him go to the min-  
ers. Killian, it is said, is slated to  
leave the Tigers, he does not  
brush up. He was once very effec-  
tive against Boston. Perhaps the Red  
Sox would be a little surer against  
Detroit with the southpaw out of the  
game.

The Montreal Eastern League  
team will play the Sunday games on  
their home grounds this year.

Joe Page is manging the Reserves  
baseball team in Montreal this sea-  
son.

ONE 4-TEAM CITY LEAGUE IS  
LIKELY THING NOW, AS THE  
SHAMROCK FIELD COMES HIGH

In spite of the fact that the In-  
ter-Society Baseball League was or-  
ganized in good time, plans for the sum-  
mer's diamond enterprise are practi-  
cally as intangible as they were in  
January.

The situation is now shaping, the  
Society League is about due for dis-  
solution. This is chiefly due to the dif-  
ficulties as to that important feature  
of the game—grounds on which to  
play.

It was agreed at the organization  
meeting of the League that an attempt  
should be made to secure the Sham-  
rock grounds, on which the schedules  
have been played for the past two sea-  
sons. While this choice was unanimous  
the consent of two of the teams was  
not gained without some difficulty,  
and they have never been over-enthu-  
siastic as to playing on the North end  
grounds.

Both the St. Joseph and the St. John  
the Baptist clubs have harbored a  
haunting idea that the Shamrock  
grounds were rather far away from  
home, and that the condition into  
which the field has fallen does not  
warrant a very strenuous attempt to  
secure it.

## Mr. Heaney Wants 60 Per Cent.

Since negotiations were opened with  
Manager Heaney, all four clubs in the  
Society League have arrived at the  
conclusion that it will be impossible to  
make arrangements for the grounds.  
They say that the demands of the  
management are altogether exorbitant  
and will not allow them to play the  
season through with any chance of  
paying their expenses. This would  
be particularly true of the teams  
which are planning trips away from  
town.

It is understood that the manage-  
ment will not lease the grounds for  
less than sixty per cent. of the gate  
receipts. At that, the field is not fit for  
fast ball, as it has been allowed to  
deteriorate for several years past.  
The grandstand too, is neither in beau-  
tiful, comfortable nor safe condition.

## One Four-Team League.

With the situation as outlined above  
the Inter-Society League teams now  
favor the formation of a city league  
irrespective of any past organization.

With the Shamrock grounds out of  
it, the Every Day Club grounds are  
of course the only prospect for a play-  
ing field. The rights to these have  
been secured by the Marathon Club,  
who have several projects on hand, one  
of which is the formation of a Pro-  
vincial League.

Manager David Donald, of the Mar-  
athons, said last evening that nothing  
could yet be definitely said of the ar-  
rangements for the season's baseball  
on the Every Day Club grounds.

## Method of Amalgamation.

The question of amalgamation of  
the remnants of the two leagues of  
last year had been broached to him by  
representatives of the present Society  
League, but he had not been in a pos-

IT IS UP TO ST. JOHN PUBLIC  
TO MAKE JULY MEET SUCCESS

The announcement that Moosepath  
Park is to have a midsummer meet as  
part of the Maritime circuit has  
pleased the sporting fraternity of St.  
John. It now remains for the public  
to patronize the races on July 22, 23  
and 24, and to do its part toward mak-  
ing them successful. There were good  
sized crowds in attendance at Moose-  
path last year and it is to be hoped  
that there will be this season.

## Americans Expected to Attend.

New England stables will be strong-  
ly represented in the Maritime Pro-  
vinces this summer and as the St. John  
races will be at the height of the tour-  
ist season there should be considerable  
attraction at Moosepath for the  
visitors from Boston and other Massa-  
chusetts cities and towns. It is un-  
derstood that a large number of ex-  
provincials and other New England  
races will make a point of visiting New  
Brunswick during the racing season  
and St. John is the most convenient  
point for Bostonians to reach.

MARITIME PROVINCE TRACKS  
WILL HAVE MANY N. E. ENTRIES

The announcement that Moosepath  
Park will have races on July 22, 23  
and 24 and that the Sussex track will  
follow with a meet the week after has  
made the Maritime Circuit almost a  
certainty. The result will be that  
strings of horses from many promi-  
nent New England stables will cam-  
paign through the Maritime Provinces  
this season.

## American Horses Coming.

Several Yankee horsemen who have  
raced their horses in this district in  
previous seasons will come east again.  
There are others who have not yet  
entered their strings at Maritime  
tracks, who will make the venture  
this year.

## Charles Bailey.

Charles Bailey, of Combination Pond,  
Medford, owner of Phoebe W. and  
Montana Girl, who campaigned through  
the provinces very successfully about  
four years ago will again be down.

## DURANE WAS HELPLESS.

Savannah, Ga., April 23.—Jack Du-  
rane, of Savannah, was helpless before  
Charlie Goldman of Boston tonight,  
and referee Jenkins called the bout  
at the end of the sixth round, though  
it was scheduled for fifteen rounds.  
Goldman landed when and where he

tion to give a definite answer as to  
the disposition of the Marsh Road  
grounds, it is to the formation of a  
new league.

## Six Teams Want to Play.

There were, to date, six teams in  
the city who had announced their in-  
tention of playing ball. These were  
the Marathons, St. Peters, St. Josephs,  
St. John the Baptist, Fairville, A. O. H.  
and Clippers.

The formation of a City League  
from these was not unlikely, but all  
could not be included. Four teams  
would probably be the limit, and these  
would be chosen in degree as they  
showed strong line-ups and seemed  
good drawing cards.

## The Provincial League.

Mr. Donald said that the Provincia'  
League had not yet arrived at the  
point it could be talked of as an ac-  
tuality. It seemed however, that the  
desire for it was such that its for-  
mation would prove an easy matter.

The Standard account of the plan  
had attracted the most favorable  
brand of comment in the columns of  
the Fredericton, Moncton and  
Amherst newspapers, and he had re-  
ceived similar opinions from the clubs  
in these towns with whom he had  
been in communication.

## Three Games For Each Team.

The proposal was a twelve game  
schedule to be played during the  
months of July and August. This would  
call for three games to be played by  
each team, and if the league was to  
be a fixed plan to make the team the  
very best possible, and to give the  
public the attraction they are looking  
for, the league would not figure in  
the composition of the team, but when-  
ever the team could be strengthened,  
a change would be made.

## All Will Be Business, Says Dave.

As for the Marathons, said Mr. Don-  
ald, the team was to be organized on  
a strictly business basis. It was to  
be a fixed plan to make the team the  
very best possible, and to give the  
public the attraction they are looking  
for, the league would not figure in  
the composition of the team, but when-  
ever the team could be strengthened,  
a change would be made.

With the best men of last year's  
team some other local players who  
would be staying at home this year,  
and one outsider, he thought that the  
team would be considerably stronger  
than ever before, and would form a  
nine which could be put together for  
a trip at very short notice.

## Clippers Did Not Meet.

The Clippers were to have organ-  
ized on Friday evening, but the wet  
weather interfered. It is likely that  
the postponed meeting will take place  
on Tuesday evening.

## One Strong Addition to the Clipper

Line-up for this year is that of Harry  
Howe, the speedy pitcher of last year's  
St. Peters.

## Few Local Horses.

The decline of St. John as a horse  
racing town has been due to the ab-  
sence of enough good local horses.  
This has the effect of lessening lo-  
cal interest in races. It is to be re-  
gretted, but the only way to remedy  
the trouble is to boom racing and ex-  
cite public interest in it until local  
owners of racers become more num-  
erous and more energetic.

## The Duncan string is to train at

Fredericton. It is a pity that these lo-  
cal horses cannot remain near St.  
John but it will need energetic action  
on the part of those interested to  
place racing on a firm basis in this  
part of the province.

It is often urged that the location  
of Moosepath has the tendency to pre-  
vent persons from St. John attending  
the races in the numbers which they  
would were the track within easy  
reach. This defect may be remedied  
in the not far distant future but at  
the present time a good suburban  
service on the Intercolonial will do much  
toward overcoming the difficulty.

## Maine Stables.

Ralph Burrell, of Bangor, Me., is  
reported to have his horses on tracks  
in this part of Canada for the first  
time. Frank Hayden, owner of Pine  
Tree Stables, Lewiston, will bring a  
string across the line. C. H. Nelson,  
of Sunnyside Farm, Waterville, will  
also have horses here. Isaiah Merrill  
of Brunswick, Me., will be another  
newcomer on provincial tracks. Mr.  
Merrill may race the fine mare Silk  
Patchen, a famous free-for-all pacer.  
This mare is by Joe Patchen and won  
ten straight races in 1906. The same  
horseman owned the mare Sweetheart.  
Mr. Merrill was at some of last year's  
meets in this section as a spectator.

SHRUBB WINS  
FROM ST. YVES  
IN SLOW RACE

New York, April 24.—April Shrubb,  
of Horsham, England, once more  
proved himself the greatest middle  
distance runner in the business by de-  
feating Henry St. Yves, of France at  
the American League grounds to-  
night. At no time was the result of  
the race in doubt. Shrubb, at the out-  
set, assumed a pace that the French-  
man could not follow, with his pla-  
cid strides. When eight miles had  
been covered he had secured a lead of  
two laps and this seemed to content  
him, for he ran the remainder of the  
race at St. Yves' side. During the last  
two miles of the race St. Yves made  
frantic efforts to catch his rival, but  
to no avail.

## CANADIANS

Baltimore, April 24.—Racing men as-  
sembled here today learned that the  
five big race tracks of Canada located  
in or near Toronto, Montreal, Detroit,  
Fort Erie and Hamilton have formed  
a central turf organization called the  
Canadian racing association. This as-  
sociation will have jurisdiction over  
all racing affairs in the provinces of  
Ontario and Quebec. Its supervision  
will be similar to the jockey club of  
New York.

## FORM TRACK

Under the Canadian racing associa-  
tion all licenses granted to trainers,  
jockeys apprentices and registration  
of partnership and colors will be re-  
cognized at all tracks. The adoption  
of this measure will save a great deal  
of money to participants in racing  
who heretofore have had to take out  
several licenses in order to obtain re-  
cognition on the tracks.

## THE GREATEST

Marathon yet  
arranged for  
Tuesday

New York, April 24.—Arrangements  
were practically completed today for  
the biggest professional Marathon yet  
held in this country—the Grand In-  
ternational Marathon for a purse of  
\$10,000 in which a score of the lead-  
ing professional long-distance runners  
from all over the world have been in-  
vited to compete over the course at  
the polo grounds on Tuesday afternoon,  
May 8. The event is open to the  
world and will finally determine the  
world's champion at the classic dis-  
tance of 26 miles, 385 yards. The  
purse will be divided as follows: \$5,  
\$1,000 to the winner, \$2,000 to the sec-  
ond man, \$1,200 to the third, \$800 to  
the fourth, \$500 to the fifth, \$300 to  
the sixth and \$200 to the seventh  
man.

Some of the leading runners invited  
to compete are St. Yves, Longboat,  
Dorando, Shrubb, Hayes, Maloney,  
Swanberg, White, Simpson and Cara-  
jal.

## 120,000 SPECTATORS

London, April 24.—The Manchester  
United defeated the Bristol City el-  
even, one to nothing, in the final As-  
sociation football match played at  
Crystal Palace today. The contest was  
exciting and hard played throughout.  
One hundred and forty special trains  
brought football enthusiasts into Lon-  
don from all parts of the kingdom  
throughout the night and it is esti-  
mated that fully 120,000 spectators wit-  
nessed the game.

## KETCHEL TO FIGHT LANGFORD

Los Angeles, Cal., April 24.—Man-

Club received a telegram today from  
Willis D. Britt, manager of Stanley  
Ketchel, accepting the former's offer  
of \$10,000 for Ketchel for a ten-  
round fight with Sam Langford here  
about July 12. Langford had already  
accepted.

## JOHNSON-O'BRIEN FIGHT

Pittsburg, Pa., April 23.—Jack John-  
son, heavyweight champion, and Jack  
O'Brien, of Philadelphia, were matched  
here today to fight six rounds at rail-

anteed to be \$5,000. A forfeit of \$2,  
000 posted in New York by O'Brien  
will be covered at once by Johnson.
