Already filled stockings for the sick and wounded in Canadian hospitals overseas are beginning to return to the Red Cross depot, and they are bright and gay, and fat and bulky—ideal Christmas remembrances. Suggestions for gifts include anything that will interest, benefit or amuse a man who is ill, wounded and away from home on Christmas day.

**New Rule at the Depot.**  
Yesterday afternoon the I. C. R. authorities put into force a rule providing for inspection of passengers' tickets in the Union Depot for outward trains. **Mutual Help and Spirit Of True Brotherhood As The Keynote of Rotarianism**

Rotarians from Halifax and Local Club Exchange Ideas, and Compliments — Visitors Greatly Pleased with City — Interesting Addresses at Gathering Last Night.

Bright and early yesterday morning about twenty representatives of the Halifax Rotary Club arrived in the city and were entertained by the St. John club for the day. In the morning the visitors were given an automobile trip around the city and out the Marsh Road as far as Gondola Point. After lunch they were taken down the river as far as Bedford on the steamer Hampton and in the evening the attraction was a banquet and talk fest at Bond's, interspersed with music, both instrumental and vocal. This is the second visit of the Halifax Rotarians to St. John and judging from the expressions heard last night it will not be the last. The proceedings last night were of an informal nature and only one toast was drunk that to "The King." H. G. Marr, president of the local club, occupied the chair, and had on his right President Parker of the Halifax club, and on his left Mayor Hayes. Owing to the fact that the Mayor had to leave early to attend the recruiting meeting on Fort Howe, President Marr called on him at the beginning of the dinner to welcome the Halifax brethren, which duty he performed in his usual pleasant manner and voiced the hope that they had enjoyed their short stay in St. John.

During the evening songs were sung by C. A. Munro, F. M. Guldford, Halifax; William Evans, Walter Pidgeon and A. J. Mason. G. D. Davidson and William Evans were heard in a banjo and concertina duet and G. D. Davidson in a banjo solo. D. Arnold Fox acted as accompanist in his usual able manner. After the wants of the inner man had been satisfied the Rotarians sat back to enjoy the "feast of reason and flow of soul," which was to follow and they certainly seemed to enjoy themselves to the limit.

**W. P. Parker.**  
The first speaker was President W. P. Parker of the Halifax club, who spoke of the pleasure and profit he had experienced from attending the convention at Cincinnati and said that he hoped to see a large number attend the convention next year at Atlanta from both the St. John and Halifax clubs. One scheme which they were adopting in Halifax was to appoint a special convention treasurer and those who had any intention of going deposited with him from time to time various sums of money, and when the time came to go to convention all they had to do was draw out the fund which they had saved up and buy a ticket.

**W. S. Fisher.**  
W. S. Fisher of the St. John club spoke on Maritime Co-operation. He said that the Rotary clubs of the two cities could help to bring about a better understanding in the western provinces of the advantages which were possessed by the Maritime Provinces by inducing more of the people to come this way, they would then be in a better position to realize the part which we had played in the successful carrying on of the present war, for it had not been for these ports it would have been impossible for Canada to ship to the Mother Country for about one-half of the year. Another way in which the two clubs could co-operate was in bringing about the building of better roads in the provinces.

**Lieut. A. P. Allingham.**  
Lieut. A. P. Allingham, the first president of the St. John club, expressed his pleasure at being present and said that he believed that the Rotary clubs of the two cities had done much to bring about a better feeling between the cities and provinces.

**H. H. Marshall.**  
H. H. Marshall, of Halifax, advocated the formation of an all Canadian contingent for the Atlanta convention next year. He proposed that all the Canadian delegates come to St. John and go together from here. If this were not possible then Halifax and St. John should arrange to have their delegates go together.

Before calling on J. C. Gass of Halifax, President Marr read a telegram of regret from District Governor Chas. J. Burchill, that he was unable to be present.

**J. C. Gass.**  
J. C. Gass said that he was delighted with the evidences of activity which he had seen in their journey around the city. His theme was supposed to be the extension of Rotarianism, and he believed that the spirit of fellowship among Rotarians meant much both for the individual and for the community. It was the aim of the international organization to have clubs wherever there was a possibility of their being a real live factor in the life of the community and they were considering at the present time St. John's, N.B., and Sydney, C. B.

**R. E. Armstrong,** secretary of the Board of Trade, spoke for a few minutes on the development of the port of St. John and quoted a number of figures showing the growth of the business of the port since 1896.

**George E. Boak.**  
George E. Boak, of Halifax, advocated a good attendance of the members at the next convention at Atlanta and said that it was impossible to attend one of these gatherings without receiving some benefit. One thing which he liked about the Rotary club was the fact that it had no religion or politics but welcomed everyone. A great deal had been said about the business men among them but they had professional men as well, and he believed that the Rotary club could help the minister and the lawyer in his business as well as anyone else. The Rotary club stood for mutual help and the spirit of true brotherhood.

**F. A. Dykeman.**  
F. A. Dykeman spoke of the pleasure it gave him to be present with the Rotarians from the sister city and also of the benefit he had received from his visit to Cincinnati, and advised all who could to go to Atlanta next year. A. M. Belding spoke on Journalism and Commissionaire Wigmore spoke on the city and its growth and said the only regret that he had was that it had not been found possible to take the visitors around the harbor, but we had so much of interest here that it was impossible to see it all in one day and he hoped the Halifax boys would soon come back.

President Parker and J. C. Gass extended the thanks of the Halifax Rotarians for the entertainment provided for them and said that the latch string was out in Halifax and for the boys to come along.

Auld Lang Syne was called for and everybody joined hands during the singing after which a verse of the National Anthem brought a very pleasant gathering to a close.

The members of the St. John club accompanied the visitors to their train and gave them a hearty send off as they started on their return journey. The members of the Halifax Rotary Club who were in the city yesterday were George E. Boak, H. E. Wallace, Andrew R. Cobb, William M. P. Webster, W. W. Walcott, Hugh G. Fraser, Freeman Cook, Charles N. Butcher, William Schon, Walter P. Parker, J. C. Gass, T. M. Guldford, H. D. Romans, W. A. Mort, W. R. Scriven, G. H. Climo and H. H. Marshall.

**THE "165TH" IN THE CITY NEXT FRIDAY**

Col. Daigle's Men to be Given Fine Reception — 132nd Coming to Sussex — Five Recruits in City Yesterday

**HONOR ROLL**

- F. C. Buckingham, St. John, N. B.
- Terris Ferris, Amherst, N. S.
- John Stackhouse, St. John, N. B.
- 236th Battalion.
- John McMullin, St. John, N. B.
- 85th Battery.

Five men enlisted in the city yesterday, four at Fort Howe, and one at the central recruiting office, Prince William street.

Sergeant H. Arthur Seely has been promoted to a lieutenancy in the 236th Battalion. He will be in command of the Kings County platoon. Lieut. Seely has two brothers already in khaki, Corp. Leon, with the 26th, and Corp. Ronald Seely, with the 115th Battalion. Prior to enlisting Lieut. Seely was engaged in the banking business in the West. He recently returned from the front having been wounded while on active service with the 8th Battalion. Official word has been received at headquarters that the 165th Battalion, in command of Lieut.-Col. Daigle, will arrive in St. John on Friday. The exact hour of their arrival is not known but it will probably be in the morning. In the meantime the committee appointed to receive Lieut.-Col. Daigle and men are preparing for their arrival. A grand civic welcome will be tendered to the 165th Battalion.

The 132nd Battalion will arrive in Sussex on the 30th of this month, according to an official statement, given out at headquarters yesterday. This battalion in command of Lieut.-Col. Mersereau is nearly up to overseas strength, and is considered one of the best at the training camp, Valcartier. The other battalion which is to be stationed in St. John is not yet known, but it is likely that Oct. 1st will see the buildings used for housing troops in the city filled up.

The following officers of the 145th Battalion, who are soon to proceed overseas, are visiting their respective homes prior to sailing: Lieut. A. A. Allingham, F. S. Logie, P. S. Smith, J. F. Salmon, S. F. Stephenson and A. S. Pierce.

Lieut. H. Price and Lieut. F. A. Courtney will also sail overseas to take commissions very shortly. Both officers have been attached to the 140th Battalion.

**ANOTHER WAR-SCARRED HERO RETURNS HOME**

Gunner Fred Nice, of Msj. Magee's Battery Returns from the Front.

Gunner Nice has been undergoing special treatment at the Lake Edward Sanatorium, Quebec, and is greatly improved. He has been receiving the congratulations of his many friends since his arrival in the city.

**SEE "MILITARY MOLLY" THIS WEEK-END**

At St. Andrew's Rink, Thursday, Friday and Saturday Nights and Saturday Afternoon—A Great Big Fair will be Held, Admission 10c.

St. Andrew's Rink will be the scene of a novel amusement gathering Thursday, Friday and Saturday evenings and Saturday afternoon of this week. The "Military Molly" fair as announced will be the fourth and last of the Rotarian picnics, and it is expected that one in such close proximity to our very doors will be the most successful of all. The Pike and various other features which made the Country Fairs so popular this past summer will be more than duplicated in the big Charlotte St. Rink. Scores of ladies and gentlemen are working energetically on each committee and are determined that all more convenient and desirable location for an in-door carnival could not be secured than St. Andrew's Rink; the great floor space gives splendid opportunity for the erection of the various booths and show tent where an entertainment will be presented, the novelty and attractiveness of which will be in keeping with "Military Molly's" offering. Admission has been placed at the nominal sum of ten cents and doubtless the fair will be attended by many thousands during its four seasons.

St. John Business College evening classes will begin Monday, October 2nd. Terms on application.

**Attracting Hundreds**  
Crowds of interested spectators gathered yesterday in front of W. H. Thorne & Co.'s King street window to witness the demonstrations of interior adornment with Alabastine tint, conducted throughout the day by Mr. Cale, of the Alabastine Company, who will continue today only to show, how easily and cheaply homes can be beautified with these wonderful cold water tints. He will welcome all inquiries.
