

FIRED SHOT AT POLICE CHIEF OF SUSSEX

Daniel Baskin of Mechanic Settlement in Hampton Jail Charged with Several Offences.

Special to The Standard. —Sussex May 22.—Daniel Baskin, of Mechanic Settlement, who was recently sentenced to two years in the penitentiary at Dorchester for an offence against morality, but was allowed his liberty by Judge Jones on promising to join the Forestry Battalion, is again in the toils. Baskin joined the Foresters as agreed, but deserted shortly after his doing so. Chief of Police Asbell got wind of his whereabouts and drove to his home and placed him under arrest, but in doing so had a narrow escape from losing his life, as the man he was after, fired a shot at him from a rifle, which narrowly escaped its intended mark. Baskin is now in Hampton jail, and is beside serving his suspended sentence, is called on to answer the charge of shooting with intent to kill, and desertion from the Foresters. He will not doubt regret breaking the promise he made Judge Jones to go overseas in the service of his King and Country.

BABY'S OWN TABLETS USED TEN YEARS

Mrs. W. J. Wilson, Carp, Ont., writes: "I have used Baby's Own Tablets for the last ten years and can highly recommend them for babyhood and childhood ailments. My baby boy was very delicate; in fact we never thought he would live but thanks to the Tablets he is now a fine healthy boy." Baby's Own Tablets should be kept in every home where there are small children. They regulate the bowels and stomach and never fail to cure the minor ills of little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Several new cases have developed in town recently and a number of persons have been sent to the hospital. Dr. J. B. Paris, May 23.—Marshal Joffre and former Premier Viviani arrived at Brest last night on their return from America. They reached Brest at midnight and each had a night's sleep. Washington, May 23.—Former Premier Viviani, Marshal Joffre and the French mission sailed from New York on May 16, unknown except to a few officials and many American newspapers, which loyally kept the secret so that the distinguished guests of the nation might not be unnecessarily endangered by German submarines. The party slipped away on the same steaming which brought them over and conveyed by a French warship.

Duties—Reside six months in each of three years after earning homestead patent and cultivate 50 acres extra. May obtain pre-emption patent as soon as homestead patent on certain conditions. A settler after obtaining homestead patent if he cannot secure a pre-emption patent may take a purchased homestead in certain districts. Price \$3.00 per acre. Must reside six months in each of three years, cultivate 60 acres and erect a house worth \$300.00. Holders of entries may count time of employment as farm laborers in Canada during 1917, as residence duties under certain conditions. Discharge papers must be presented to Agent.

UNSEEN VALUES
It is the invisible value in an used car that you should buy, and you MUST take some man's word for that. Finish, tires, top, leather, lines—they are all worth considering, but the real element of value in a used car is the unseen, invisible and practically unknowable inside conditions.
Since it is purely a matter of confidence and buying on an established reputation, why take chances? We cannot afford to overstate or misrepresent in any way. That is why you are safe in buying a used car from us.
We will trade in the car you now own as part payment on one of these used cars, if it is in good condition. You can pay the difference in cash or on terms.
