Loses Life in Louisiana.

Lake Charles, La., July 6.—Major

tion field here, while flying in a scout

**150 EXCURSIONISTS
LOSE LIVES IN
ILLINOIS RIVER**

Steamer Columbia, Carrying
More Than Six Hundred
Persons Strikes An Obstruc-
tion.

Peoria, Ill., July 6.—Approximate-
ly 150 people were drowned or trans-
ported to death last night when the
excursion steamer Columbia, carrying
more than 600 people, struck an obstruc-
tion in the Illinois River and sank.
The excursion party started from
Peoria, fifteen miles distant from here,
early in the evening, spent several
hours at an amusement park near this
city and when the return trip to Peo-
ria was about half completed, the
steamer ran aground on the obstruction
on the Peoria shore, in the fog, smashing
a big hole in her bow. The pilot sig-
nalled full speed astern. As soon as
the vessel pulled clear of the log of
rock, she began to settle and within
few minutes sank, carrying many per-
sons down.

Panic Occurs.
Soon after the steamer struck a
panic occurred among the passengers,
and many men, women and children
jumped into the water without secur-
ing life preservers. Those who could
swim reached shore, which was only a few
feet away. The second deck of the
boat, where the dance hall is located,
was crowded when the crash came, and
it was here that many were crushed
to death in the panic.
Ray Jones, fireman on the steamer,
is sinking, but on account of the darkness
persons were on the dance floor when
the boat struck, and he believed many
of these perished. When the boat
sunk, the water level was about 10
feet below the state rooms immediately
below the pilot house on the listed side.
The pilot, when he found his boat was
sinking, sent distress signals and
within a short time boats from various
directions came to the rescue and be-
gan to pick up those struggling in the
water, but on account of the darkness
their efforts were badly hampered.

**MURDERER WILL
PROBABLY DIE**

Coroner's Jury Returns Ver-
dict in Triple Shooting Case
Near Kentville.

Kentville, N. S., July 7.—"That Mrs.
Feener came to her death by a gun-
shot wound inflicted by Millidge Ra-
fuse" was the verdict of the jury who
investigated the shooting affray at Pine
Wood. Rafuse admitted the shooting.
He said that he had been driven to it
by domestic troubles. He is now at
the military hospital and small hope
is held out by physicians for his recovery.
Mrs. Selig, who was in the house
when the tragedy occurred, was also
shot by Rafuse. Her wound is regard-
ed as serious, but not fatal.
The evidence adduced before the cor-
oner's jury was to the effect that "on
Thursday night at 10.40 p. m. Police-
man Bond, constable for Kings coun-
ty, was notified that a shooting had
occurred at Pine Wood. Arriving here
found Mrs. Marie Selig had been shot
through the hip and seriously, but not
fatally wounded; also Eva Feener, wife
of Joshua Feener, shot through the
breast and instantly killed. A search
was instituted and Rafuse was found
in the bushes a short distance from
the Feener house. He was lying on
his side groaning bitterly having in-
flicted a gunshot wound on himself.

**AN ADVANCE IN WAGES
FOR EXPRESS EMPLOYES**

President George C. Taylor
Makes Announcement at
New York.

New York, July 6.—Announcement
that express company employes
throughout the country will receive
an increase in wages, effective July
1, is made by George C. Taylor,
president of the American Railway
Express Co., which on July 1 took over
the express business on the rail-
roads of the United States.
Asserting that the increase in ex-
press rates recently granted by the
Interstate Commerce Commission
would make possible an immediate
revision of wage schedules, Mr. Tay-
lor said, in a formal statement:
"All increases when announced will
be made to take effect July 1, 1918.
None of this money will be used to
increase the salaries of the higher
paid men or the officials of the com-
pany."

**IN MISERY
FOR YEARS**

**Mrs. Courtney Tells How She
Was Cured by Lydia E.
Pinkham's Vegetable
Compound.**

Oskaloosa, Iowa.—"For years I was
simply in misery from a weakness and
awful pains—and
nothing seemed to
do me any good. A
friend advised me
to take Lydia E.
Pinkham's Veget-
able Compound. I
did so and got re-
lief right away. I
can certainly re-
commend this valu-
able medicine to
other women who
suffer, for it has
done such good
work for me and I
know it will help
others if they will
give it a fair trial."
—Mrs. LIZZIE COURTNEY, 108 8th Ave.,
West, Oskaloosa, Iowa.

Why will women drag along from day
to day, year in and year out, suffering
such misery as did Mrs. Courtney, when
such letters as this are continually being
published. Every woman who suffers
from displacements, irregularities, in-
flammation, ulceration, backache, ner-
vousness, or who is passing through the
Change of Life should give this famous
root and herb remedy, Lydia E. Pinkham's
Medicine Co., Lynn, Mass. The result
of its long experience is at your service.
